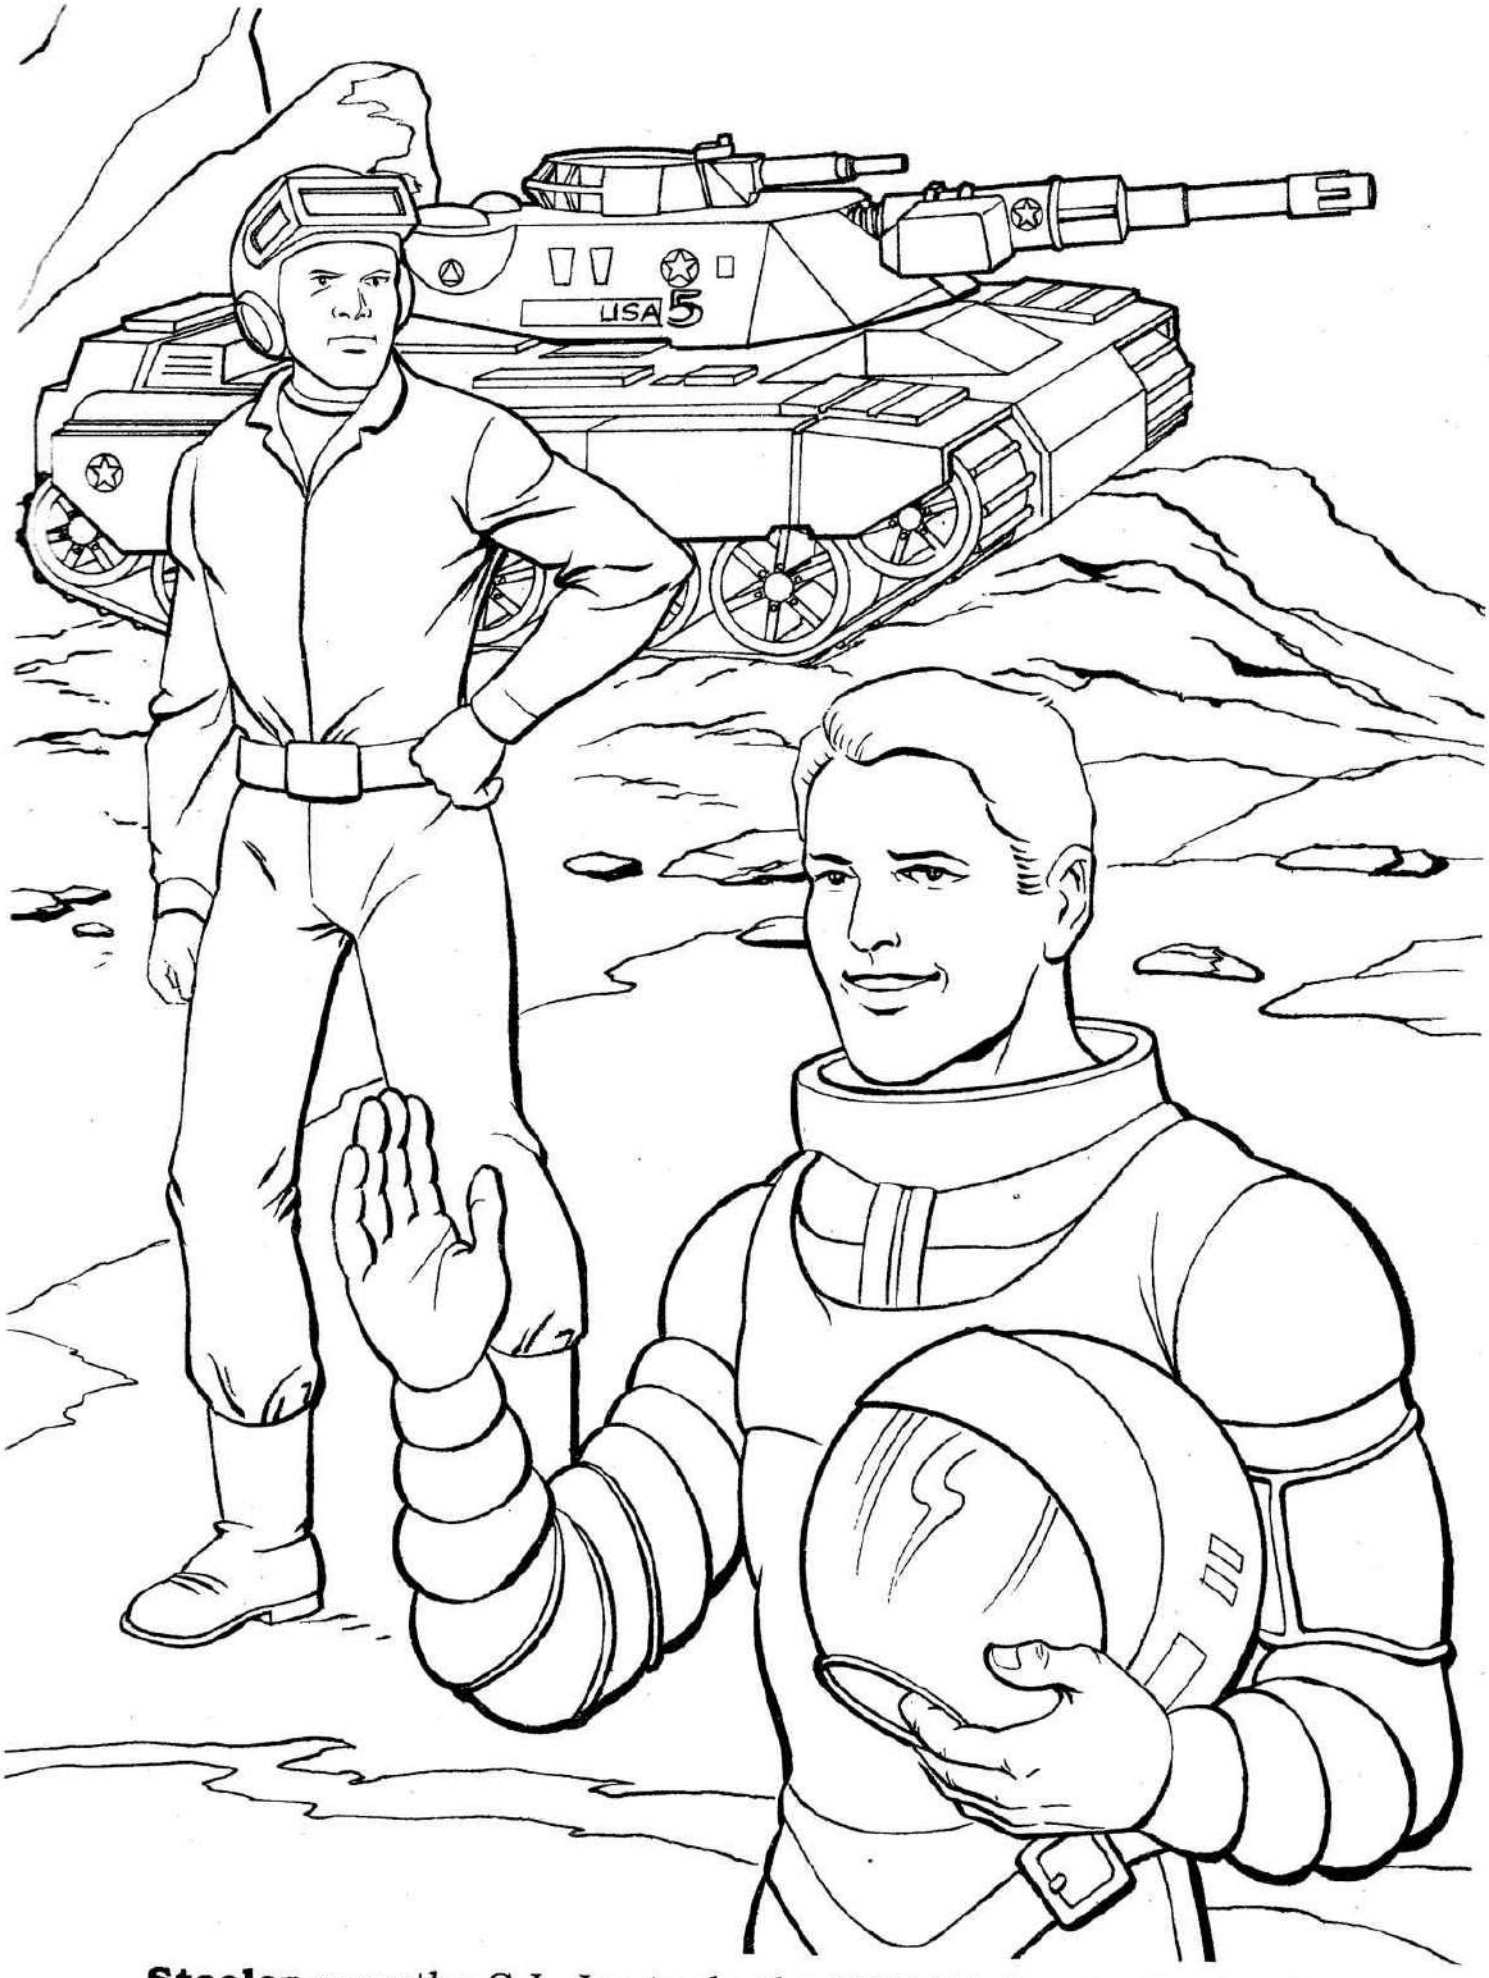
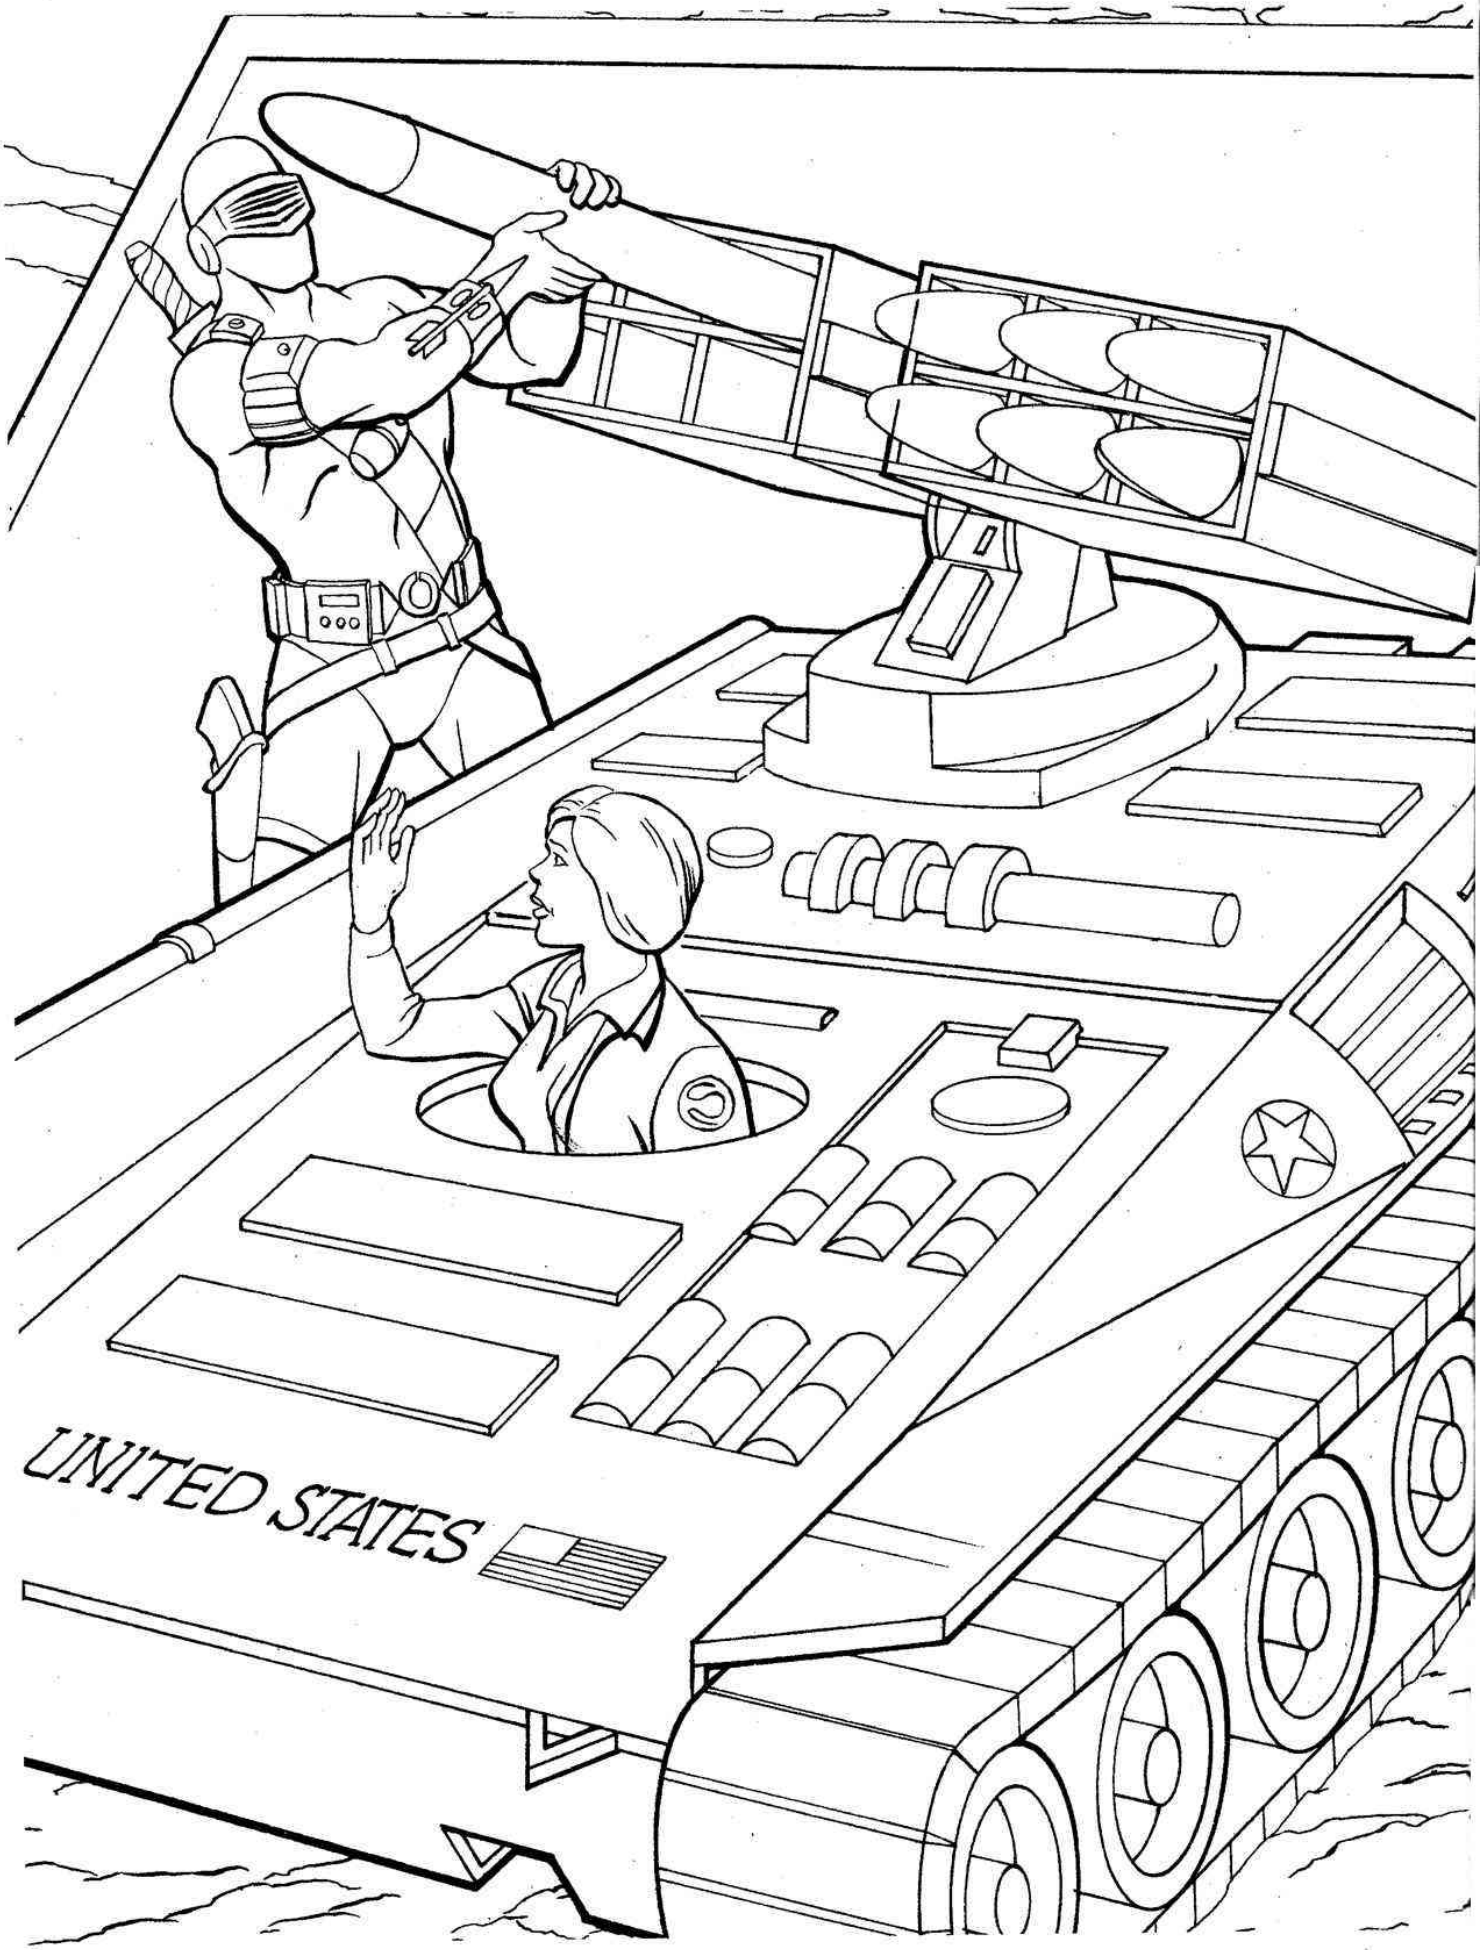
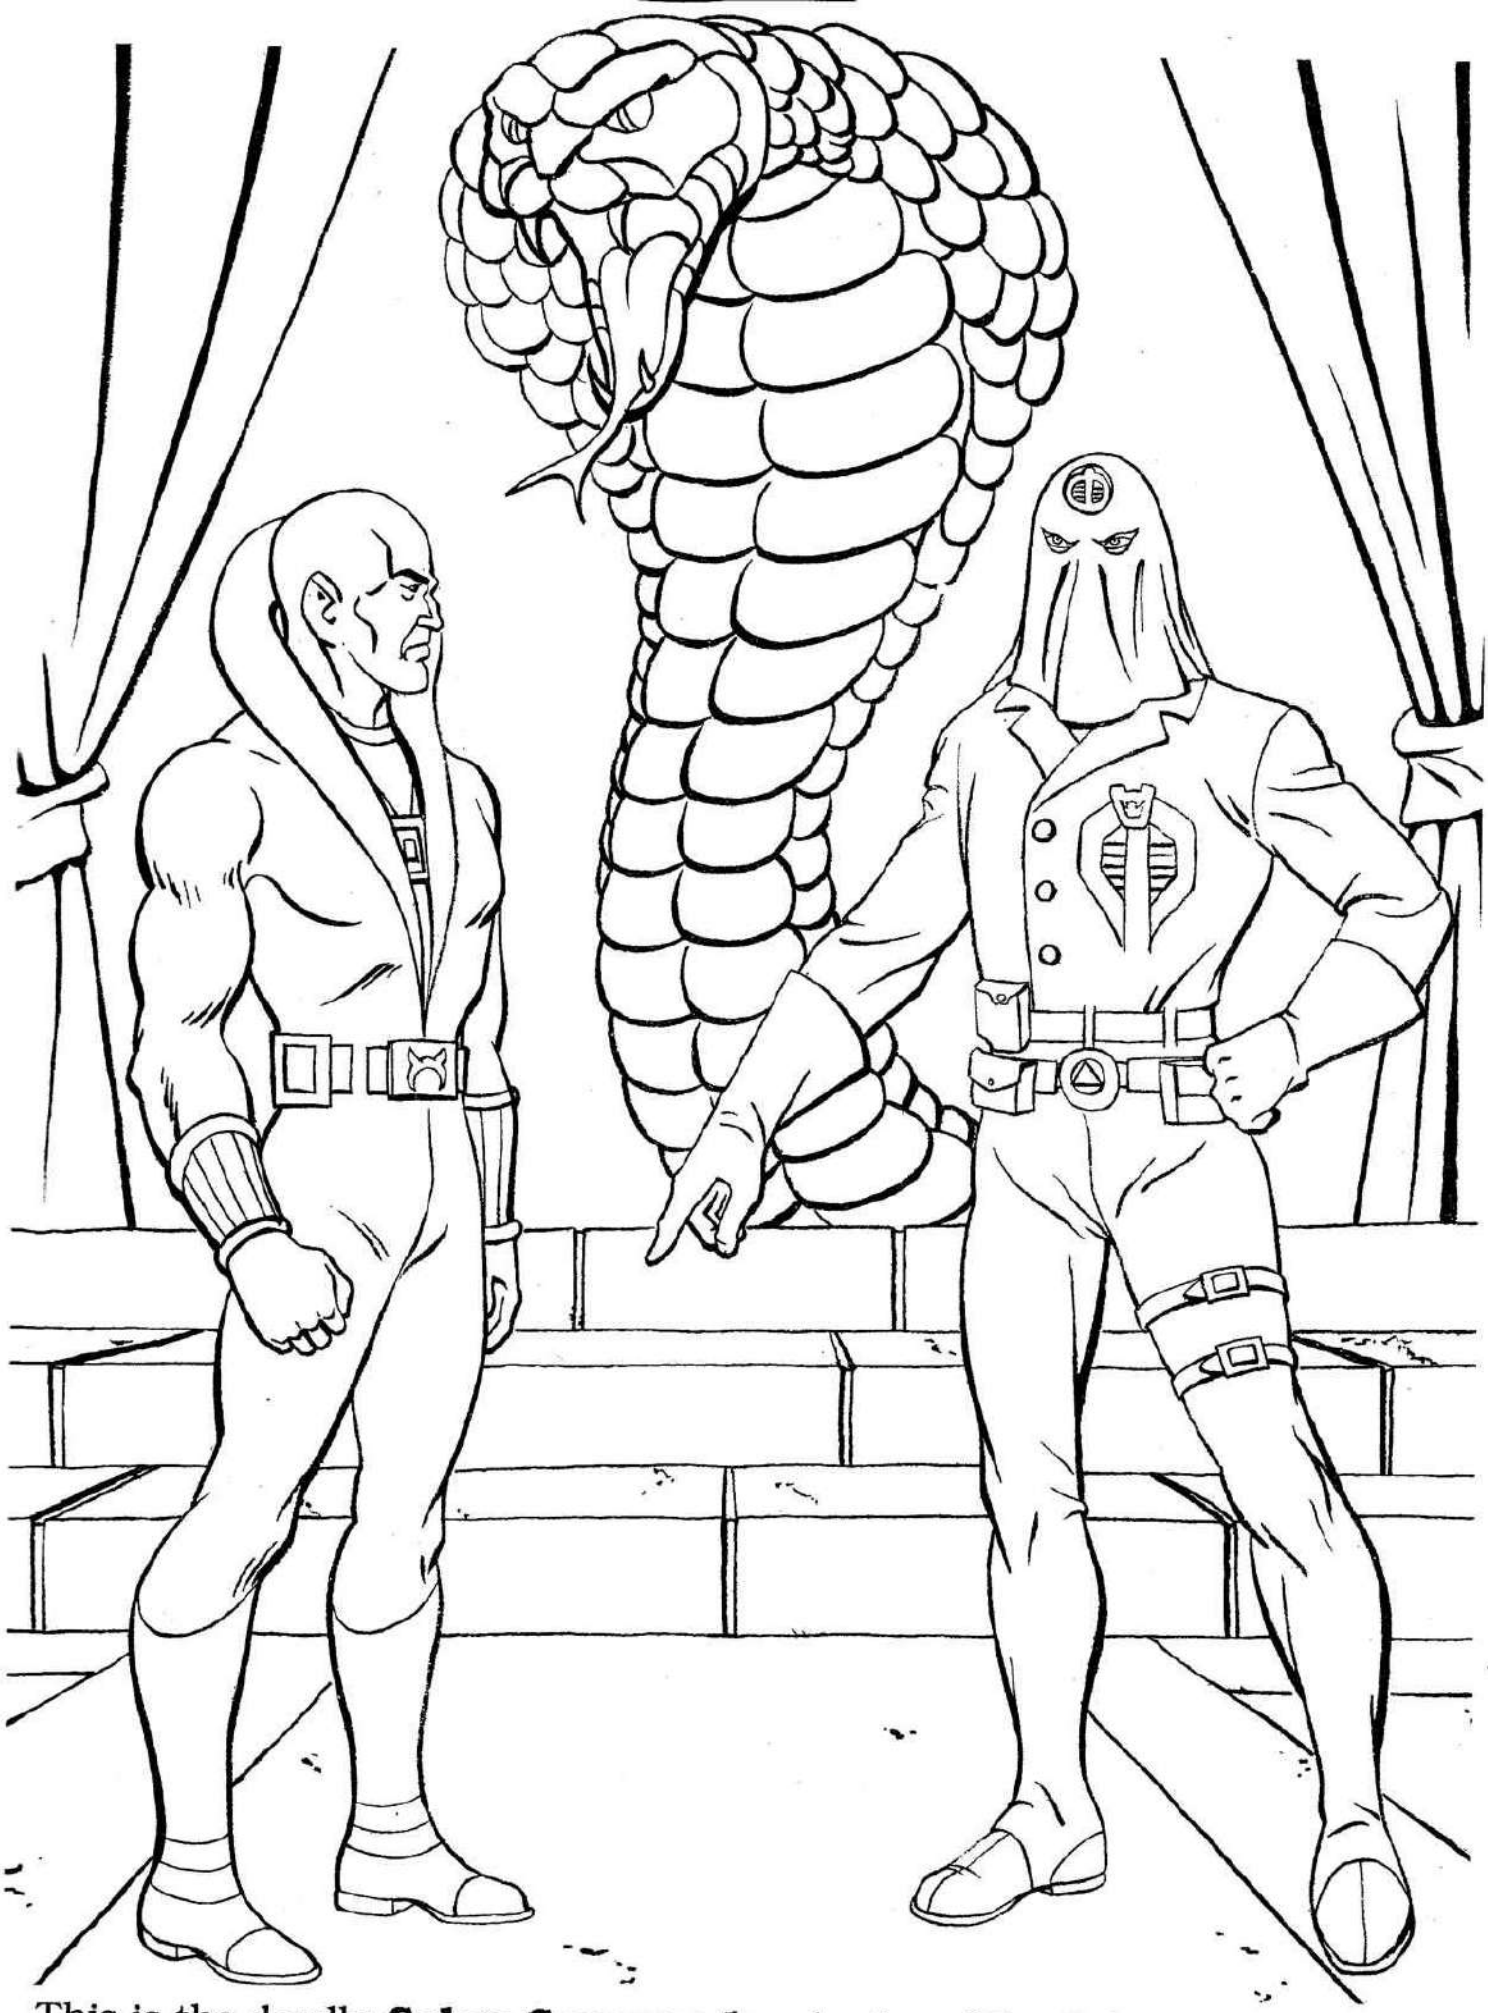
This is **Duke,** top sergeant of the G.I. Joe strike force. **Roadblock** is the Joes' heavy machine-gunner.



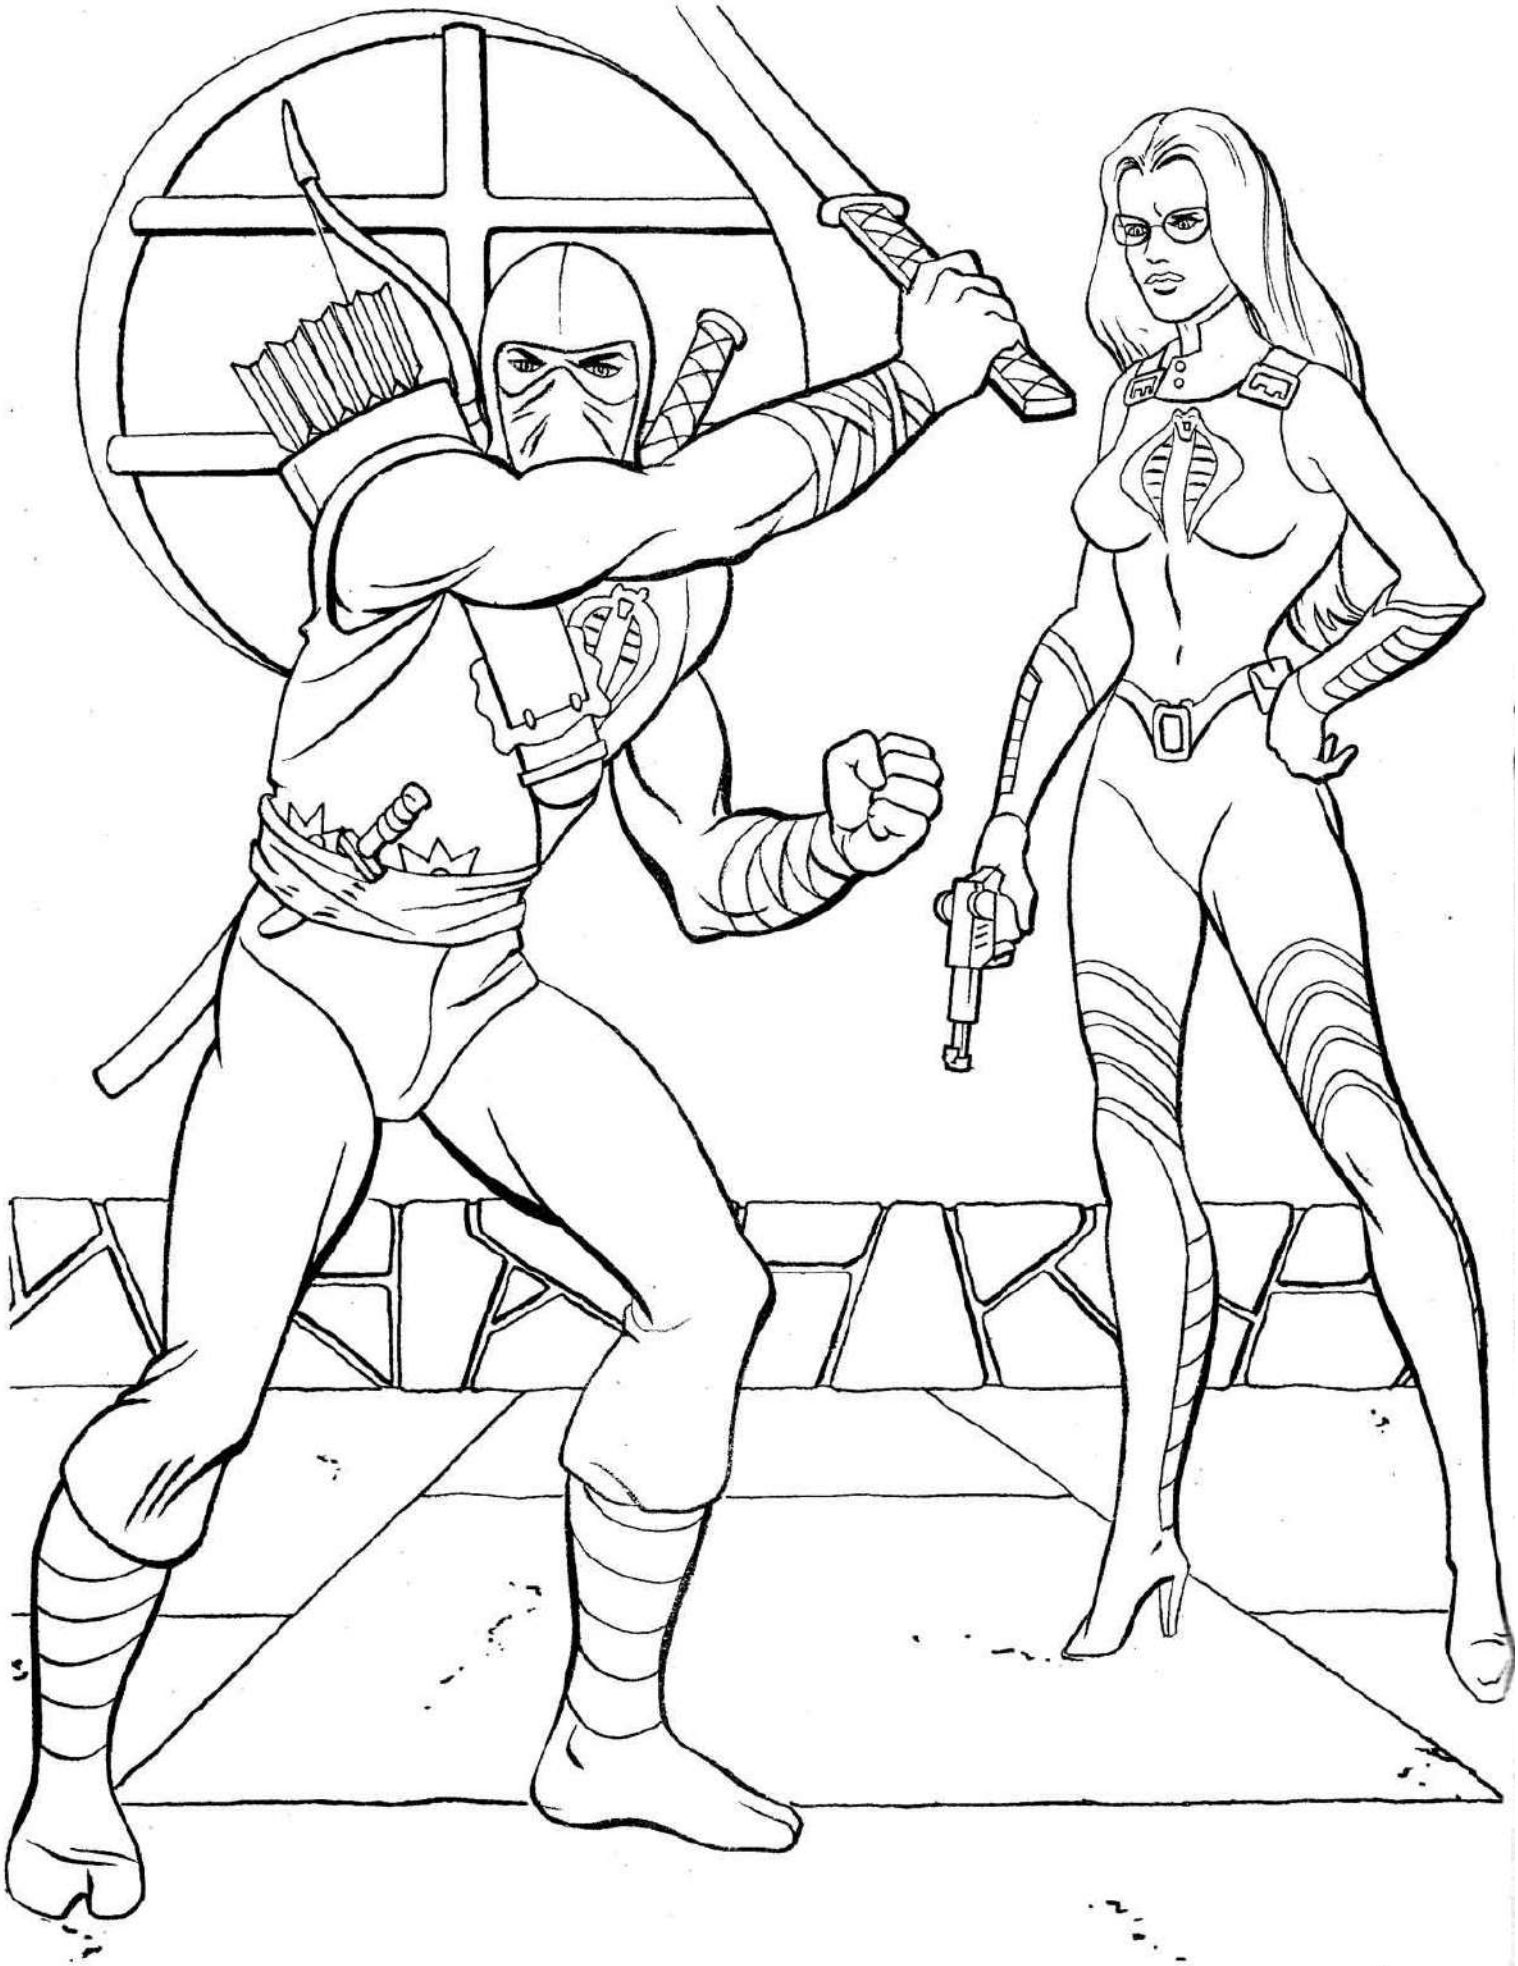
Steeler runs the G.I. Joe tank, the MOBAT. **Ace** is the Joes' jet fighter pilot.



Cover Girl operates the powerful Wolverine rocket launching tank.
Snake Eyes is one of the best fighters the Joes have.



This is the deadly **Cobra Commander,** leader of the Cobra terrorist organization. Beside him is one of his top helpers, **Destro.**

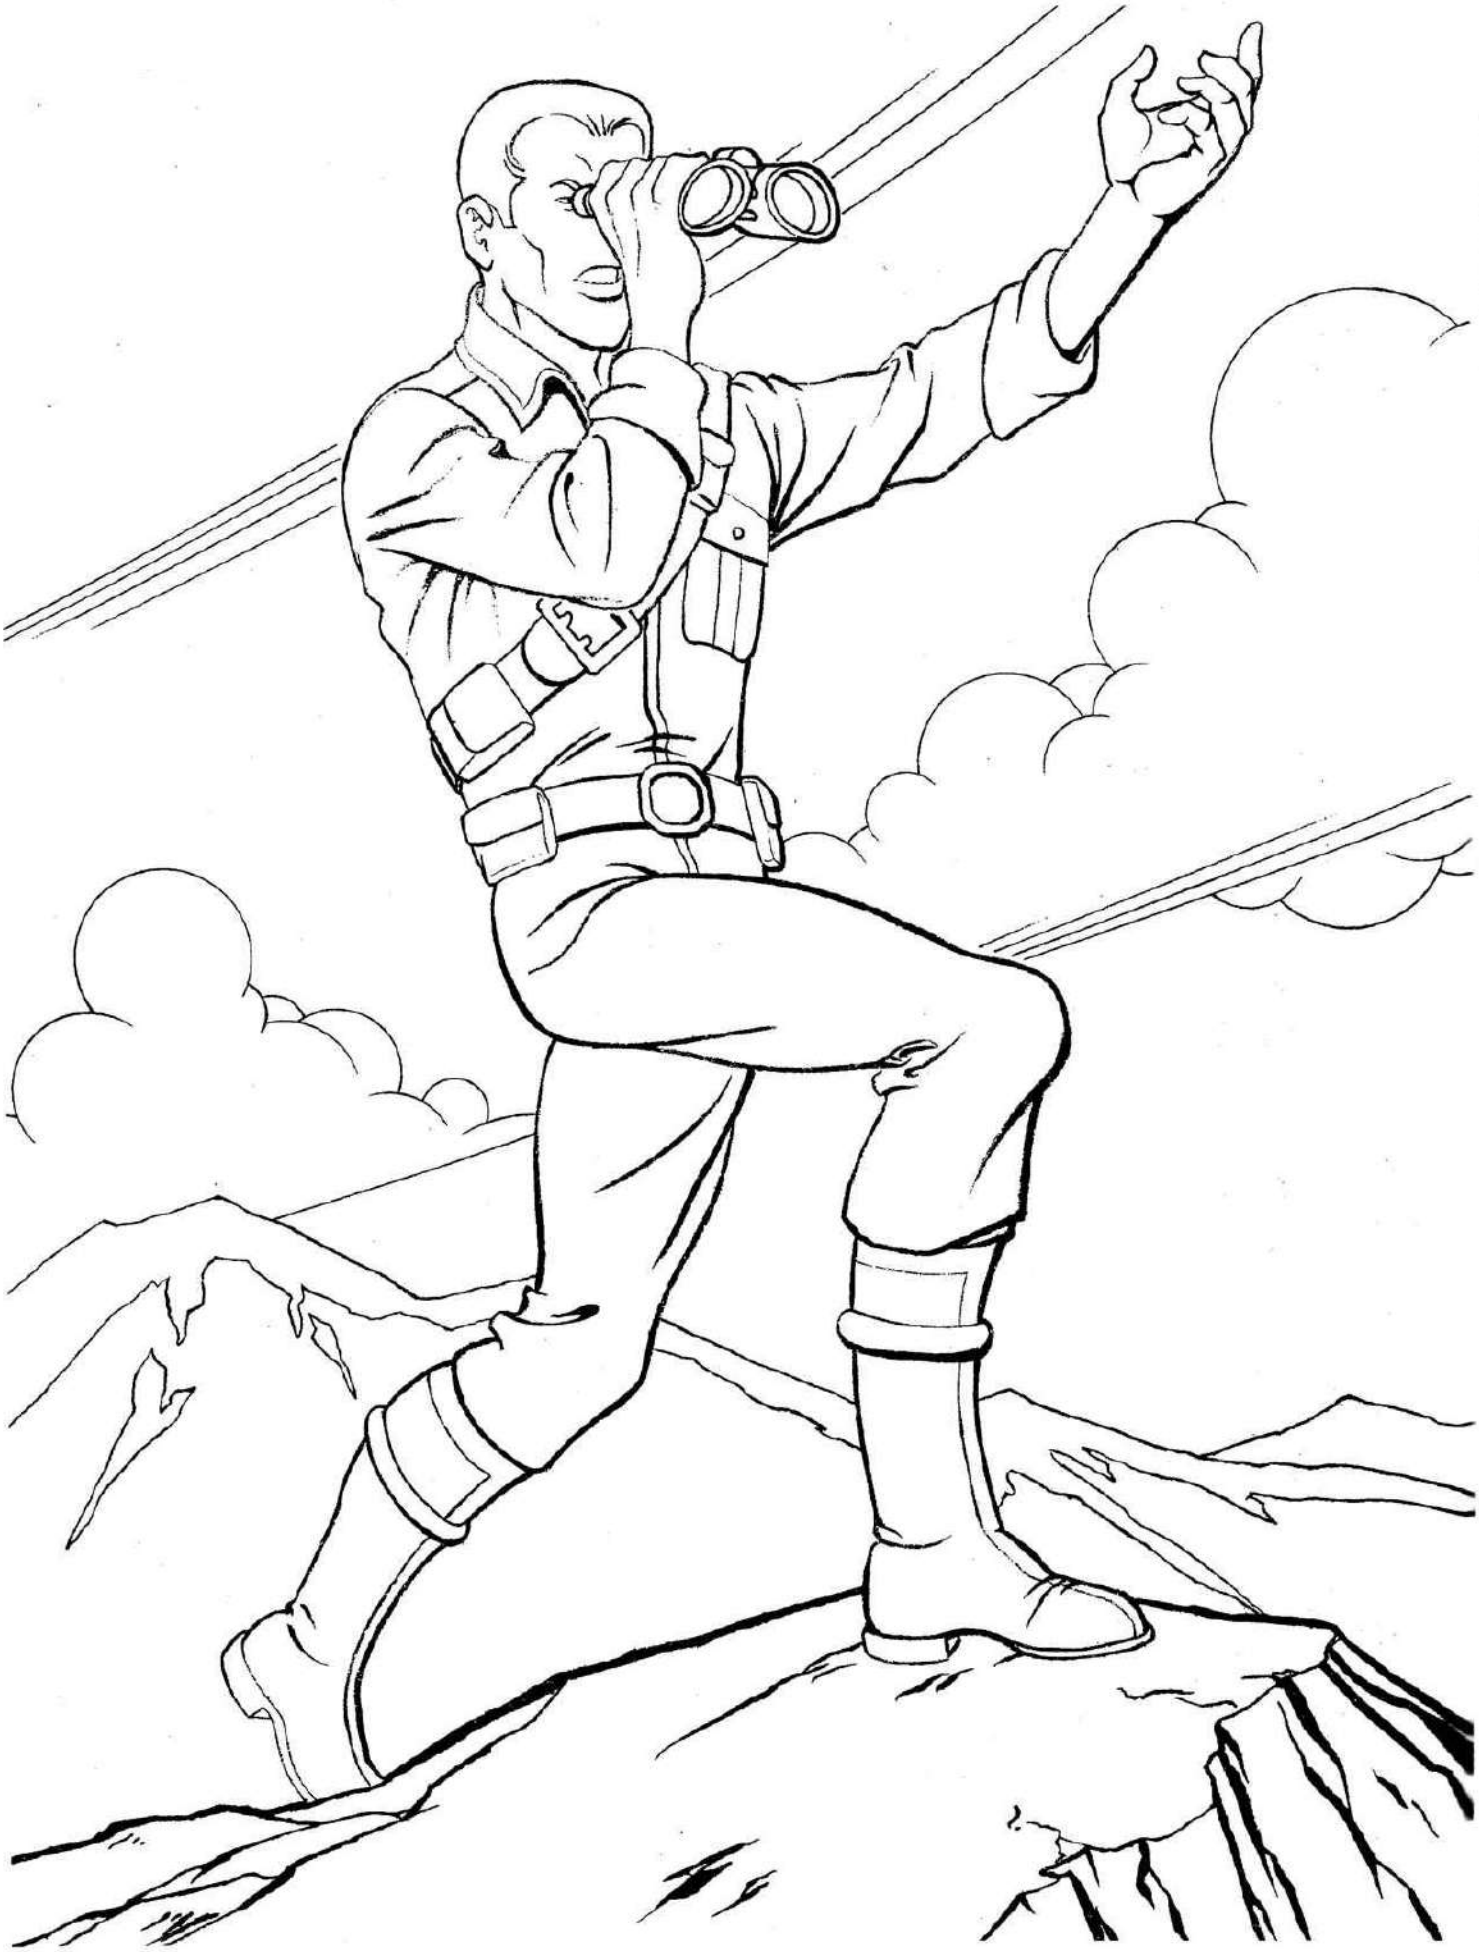


Storm Shadow is Cobra Commander's personal body guard.
The Baroness is one of Cobra's deadliest leaders.

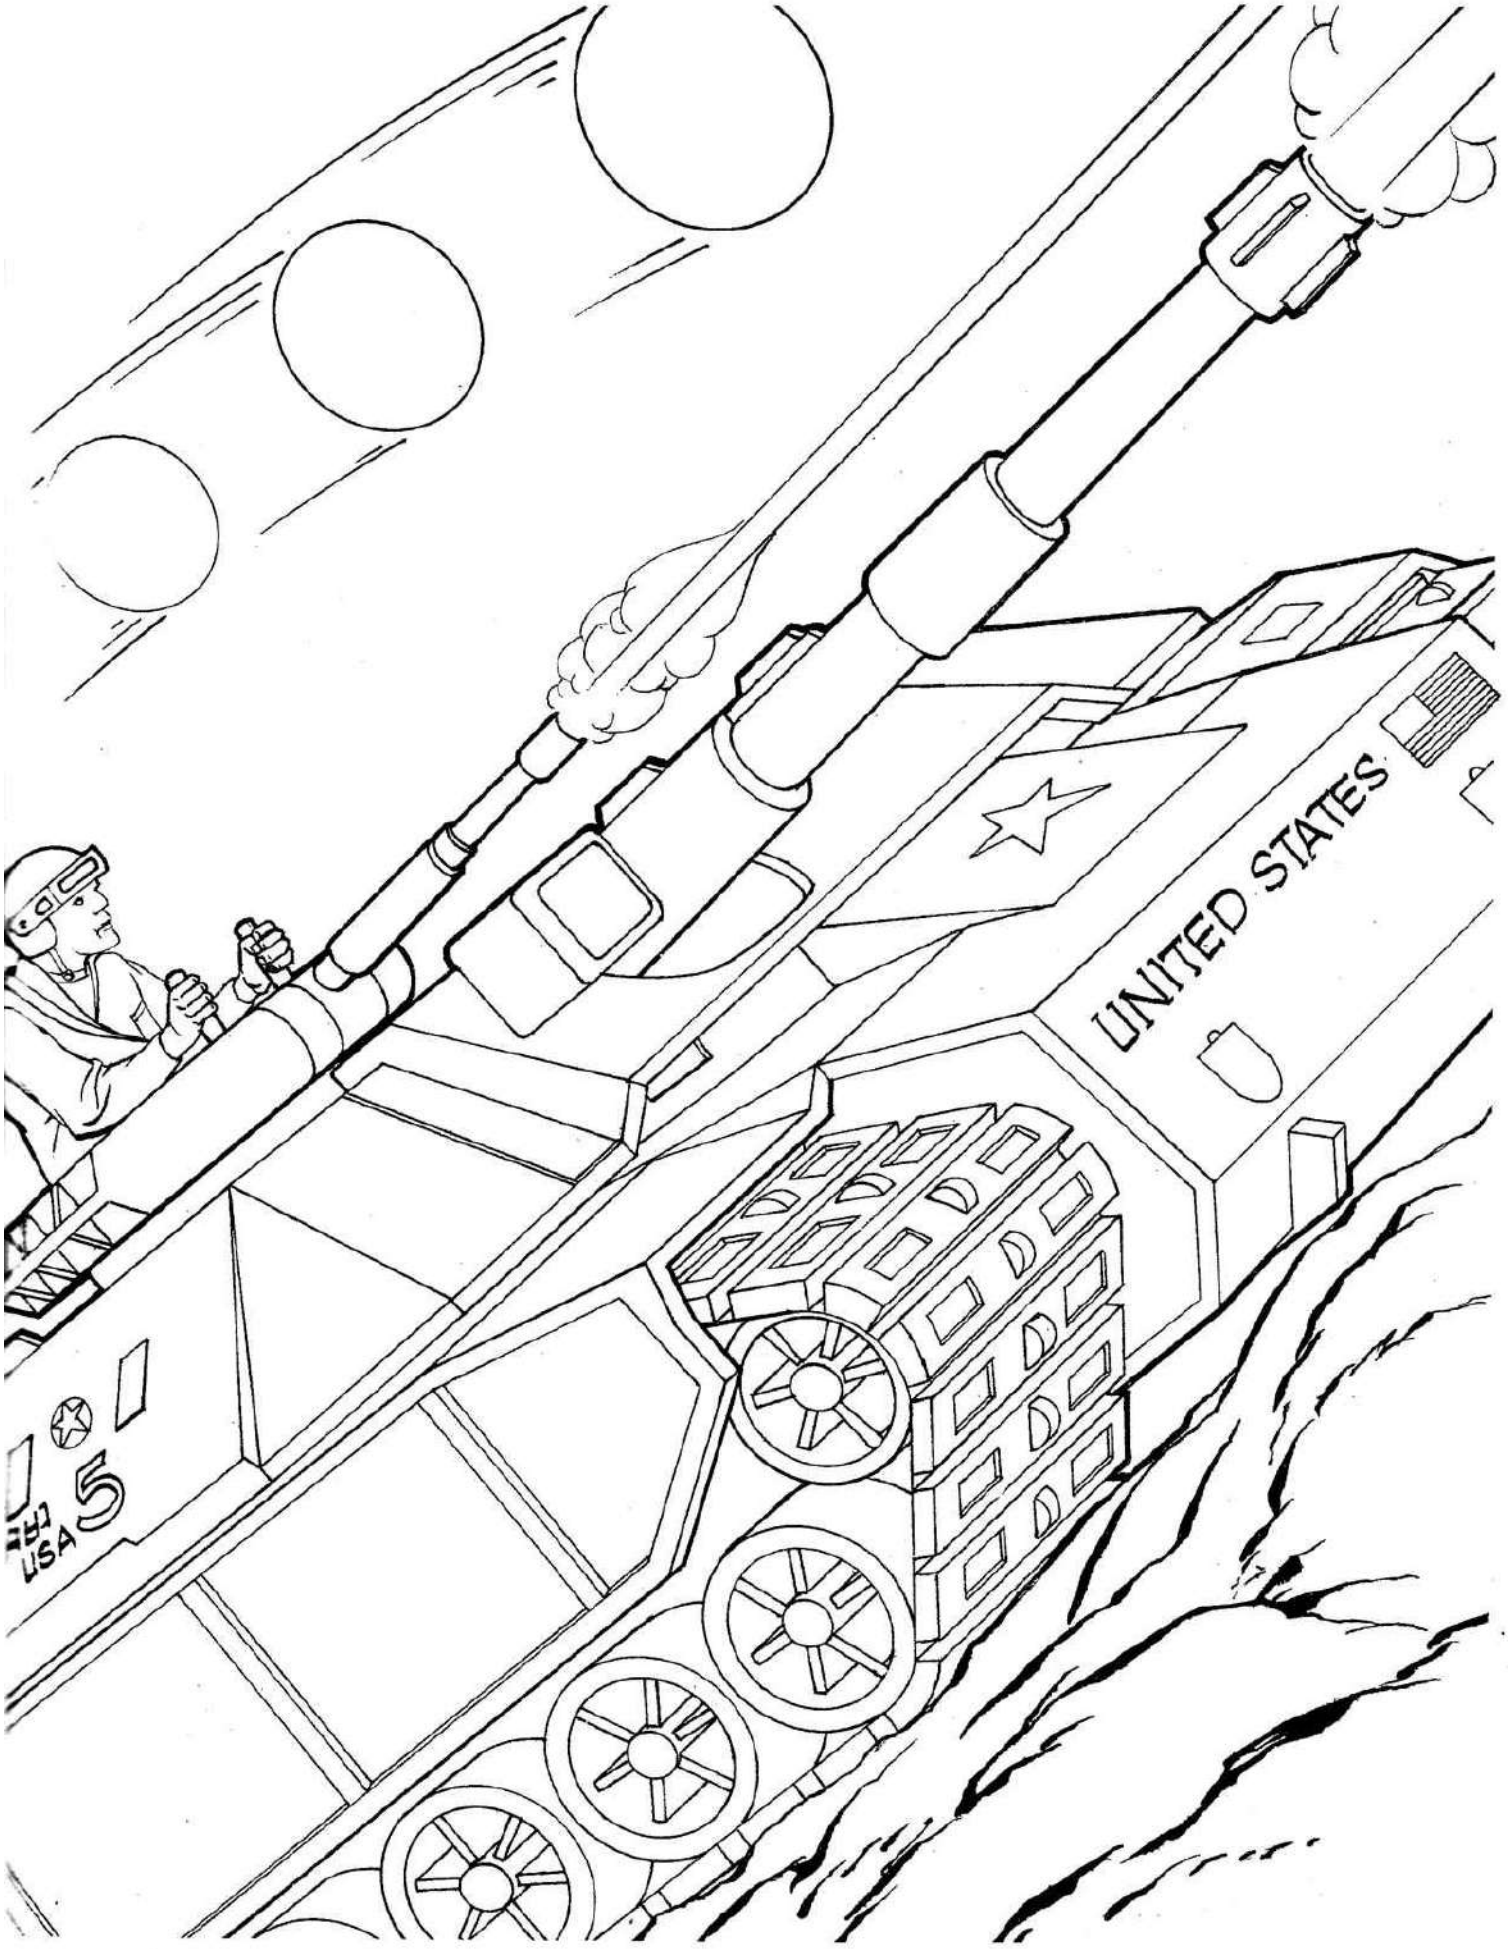
"Those Cobra fighters are coming down fast!" says Ace.

"They won't stop me from getting back to base and telling the Joes about Cobra's new plot!"

"Shoot Ace down! Now!" shouts Destro. "We must stop him at any cost!"



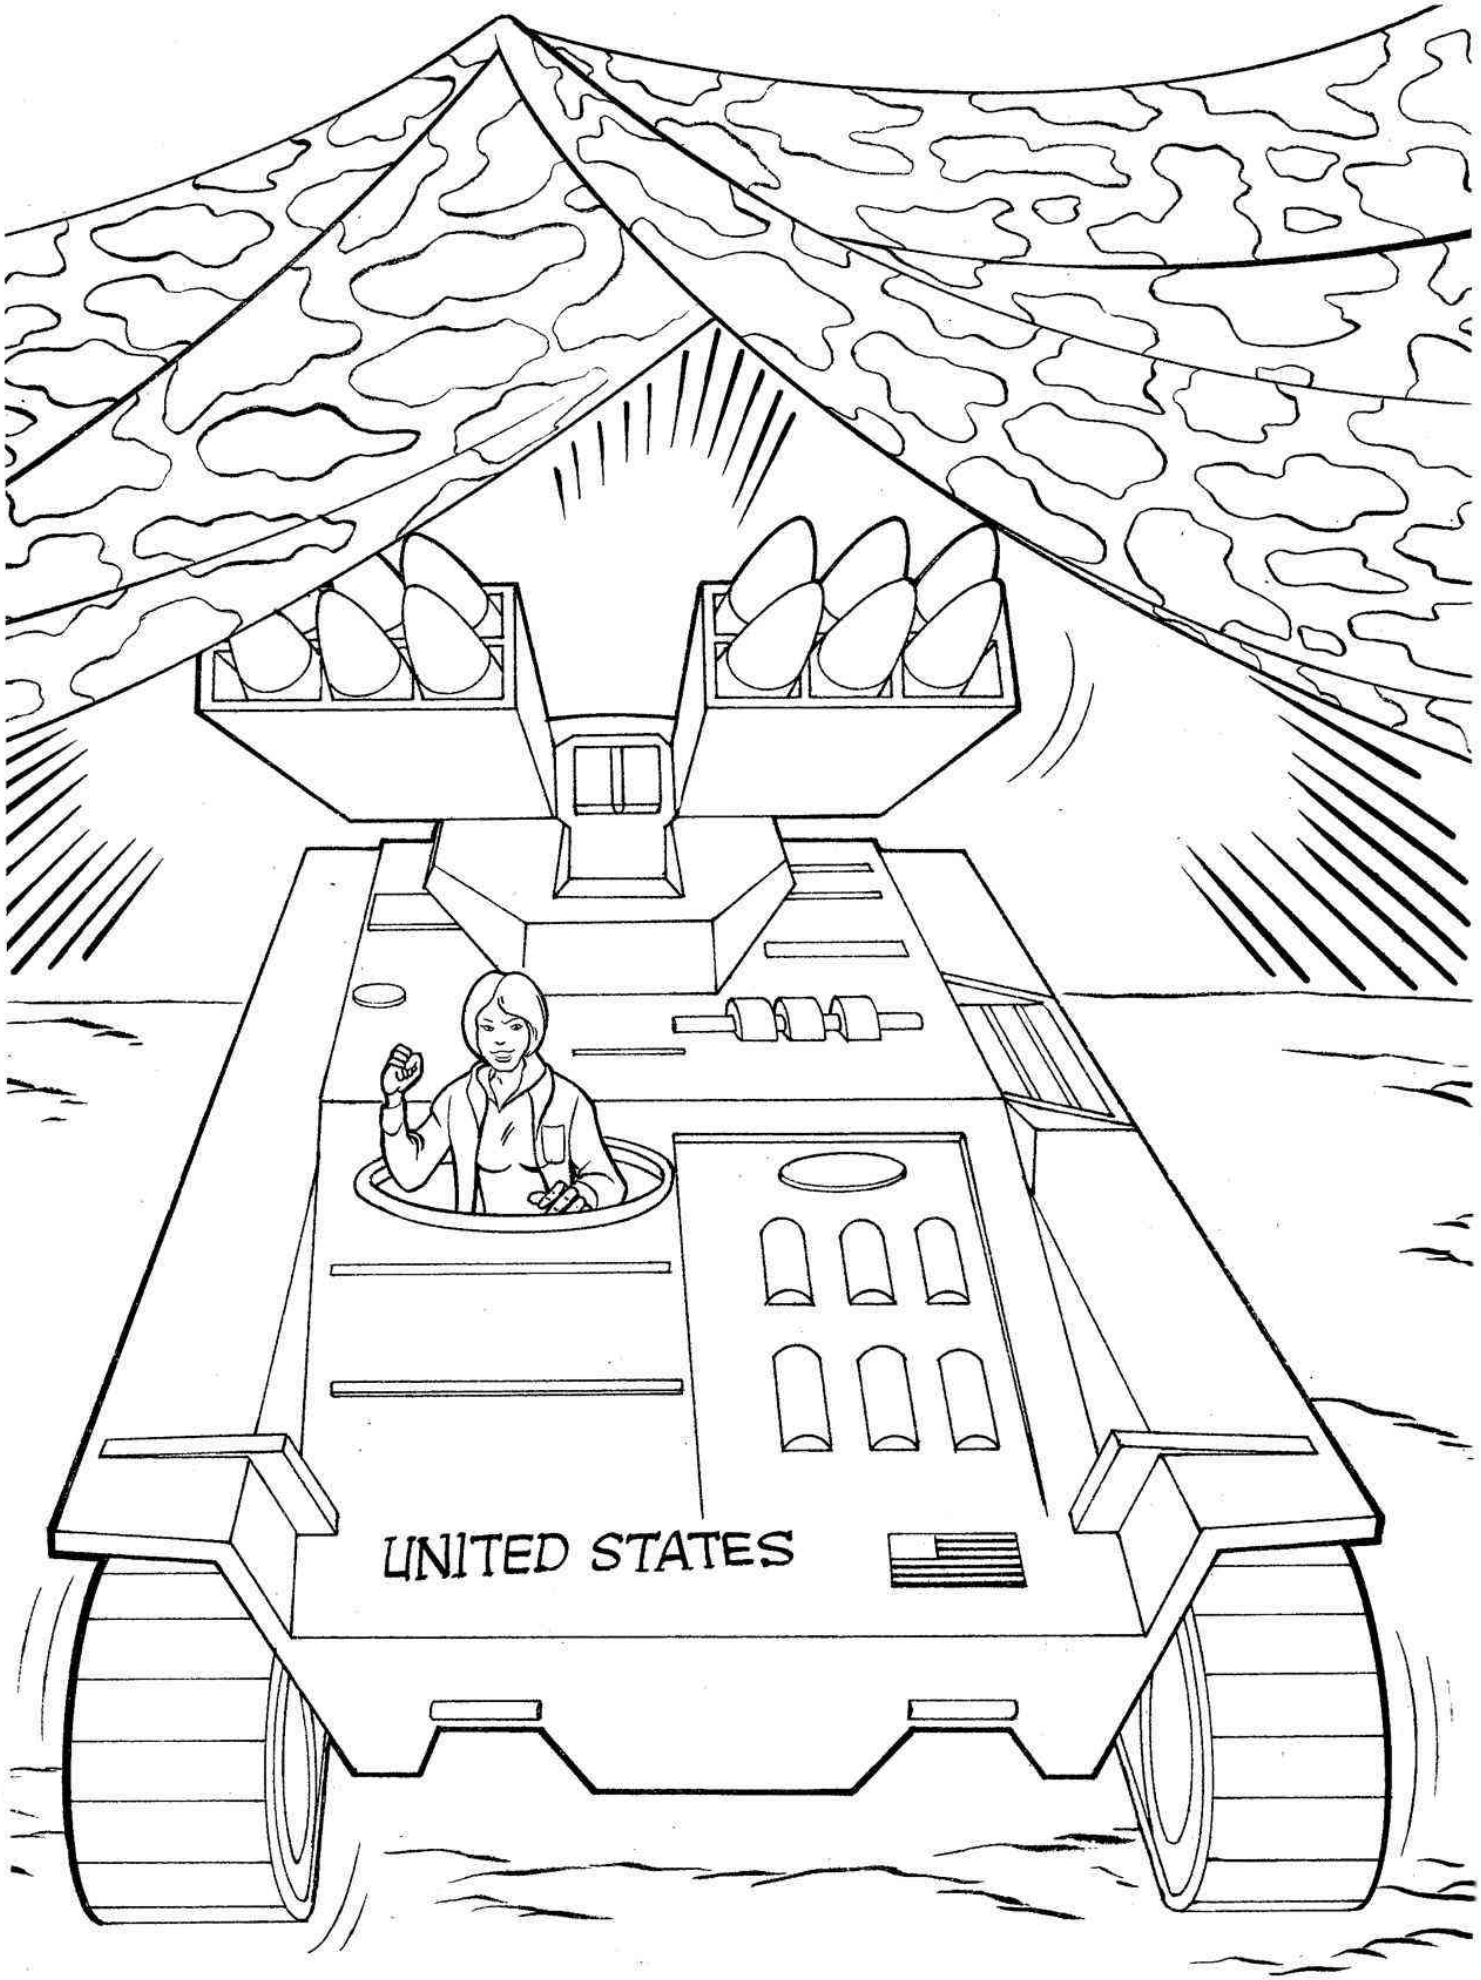
"All right Steeler, Snake Eyes and Cover Girl! Time for combat training!" shouts Duke.



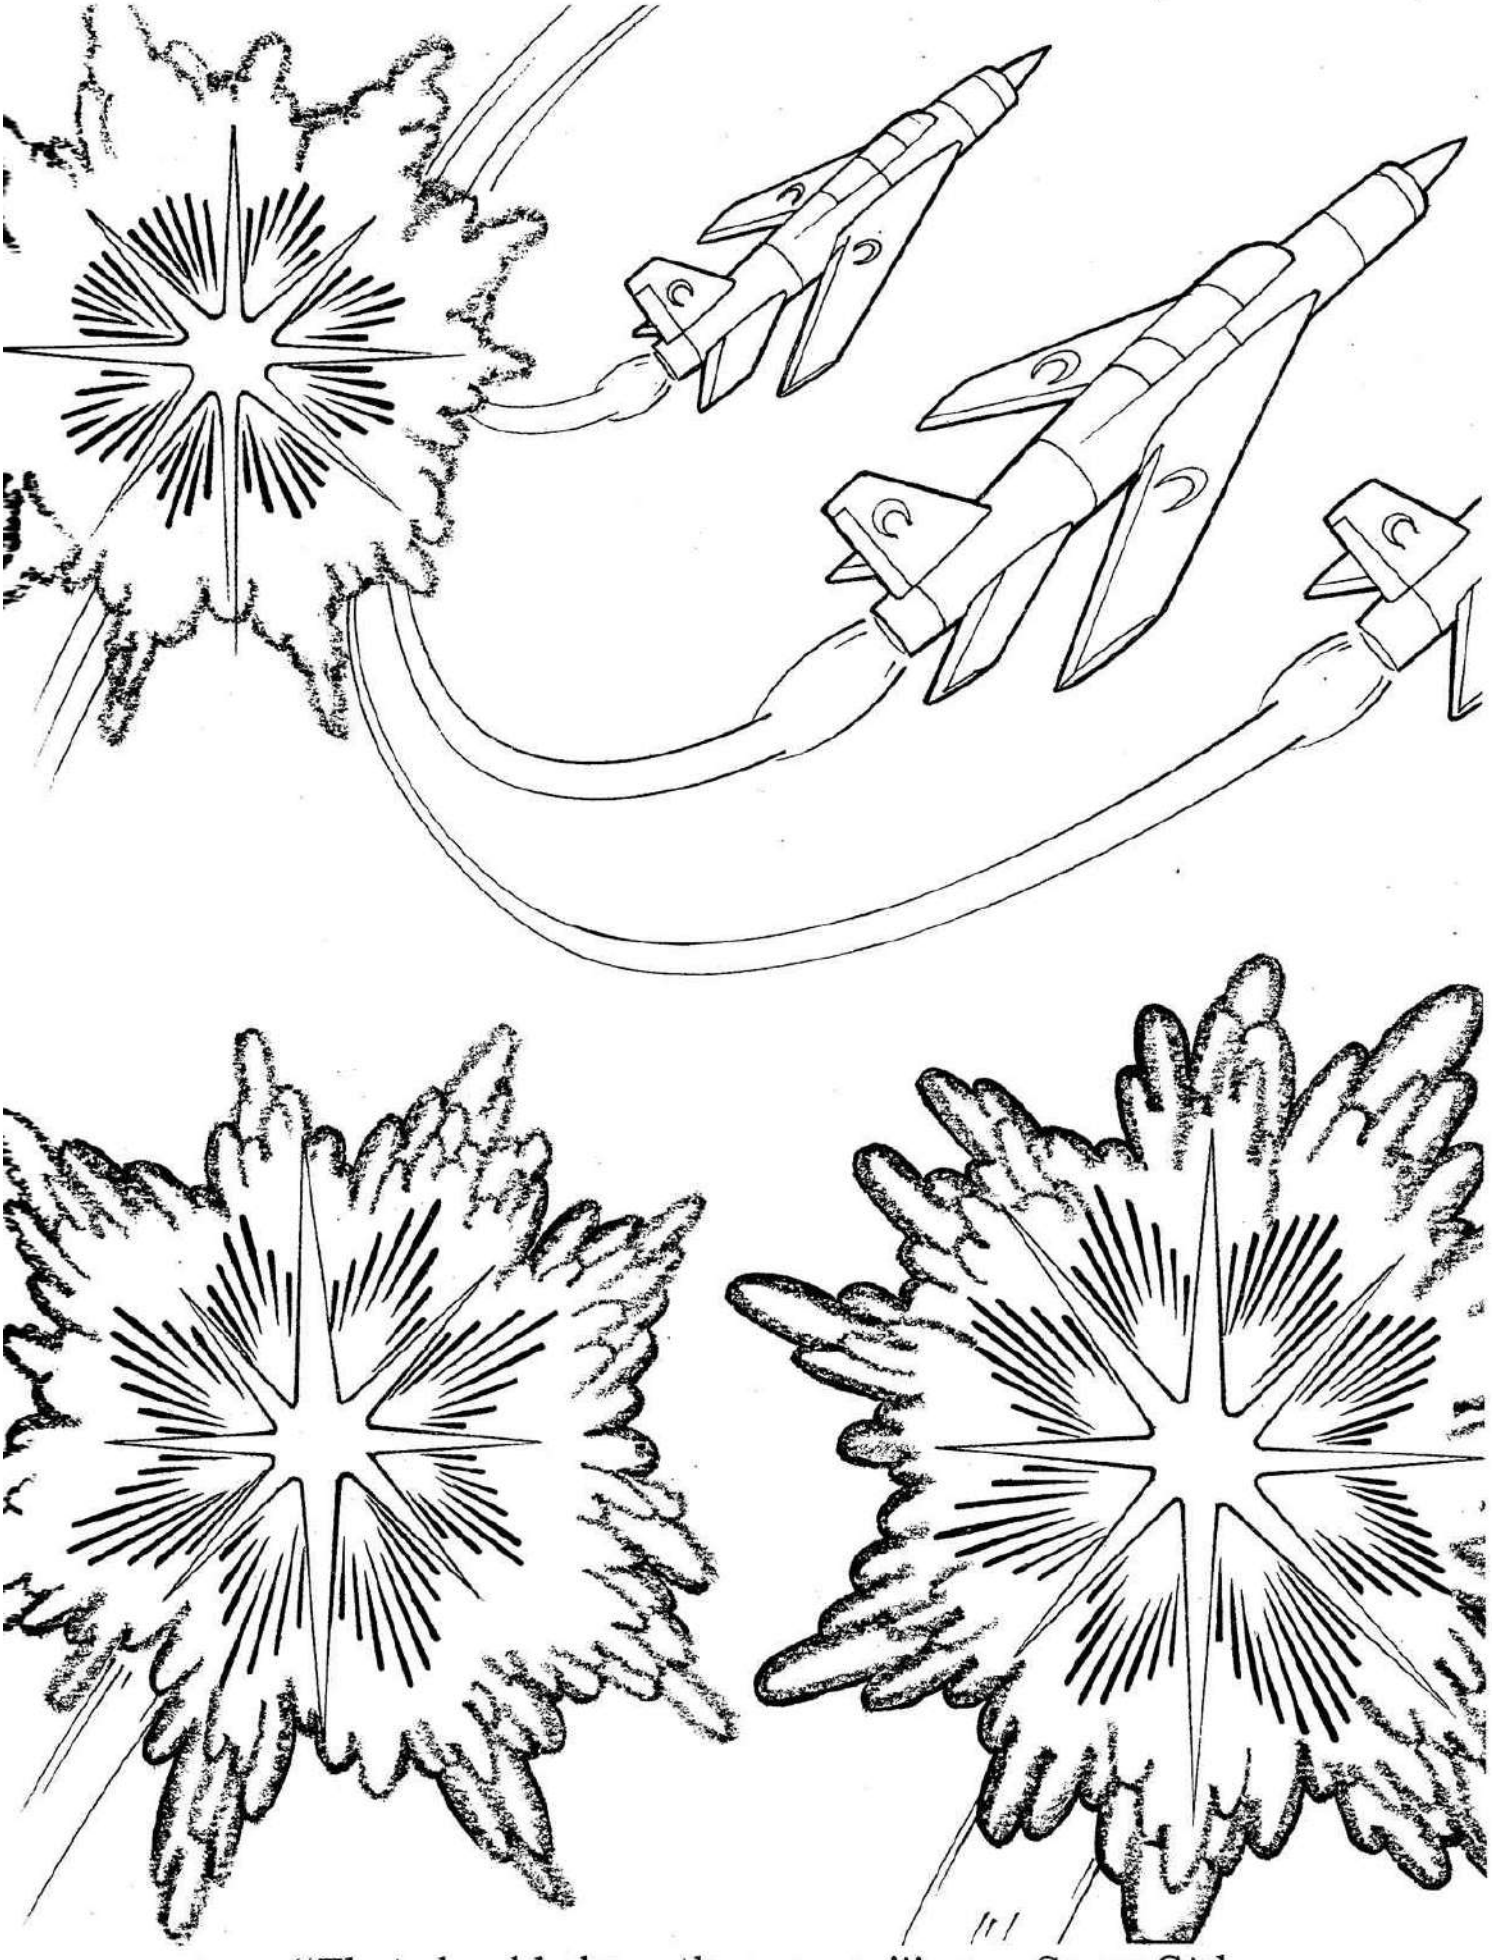
"My MOBAT will make mincemeat out of those Cobra targets!" says Steeler.

"What's wrong, Snake Eyes?" asks Duke. "Holy Smoke! Ace is being chased by Cobra fighters!"

"We've got to help him!" says Duke.



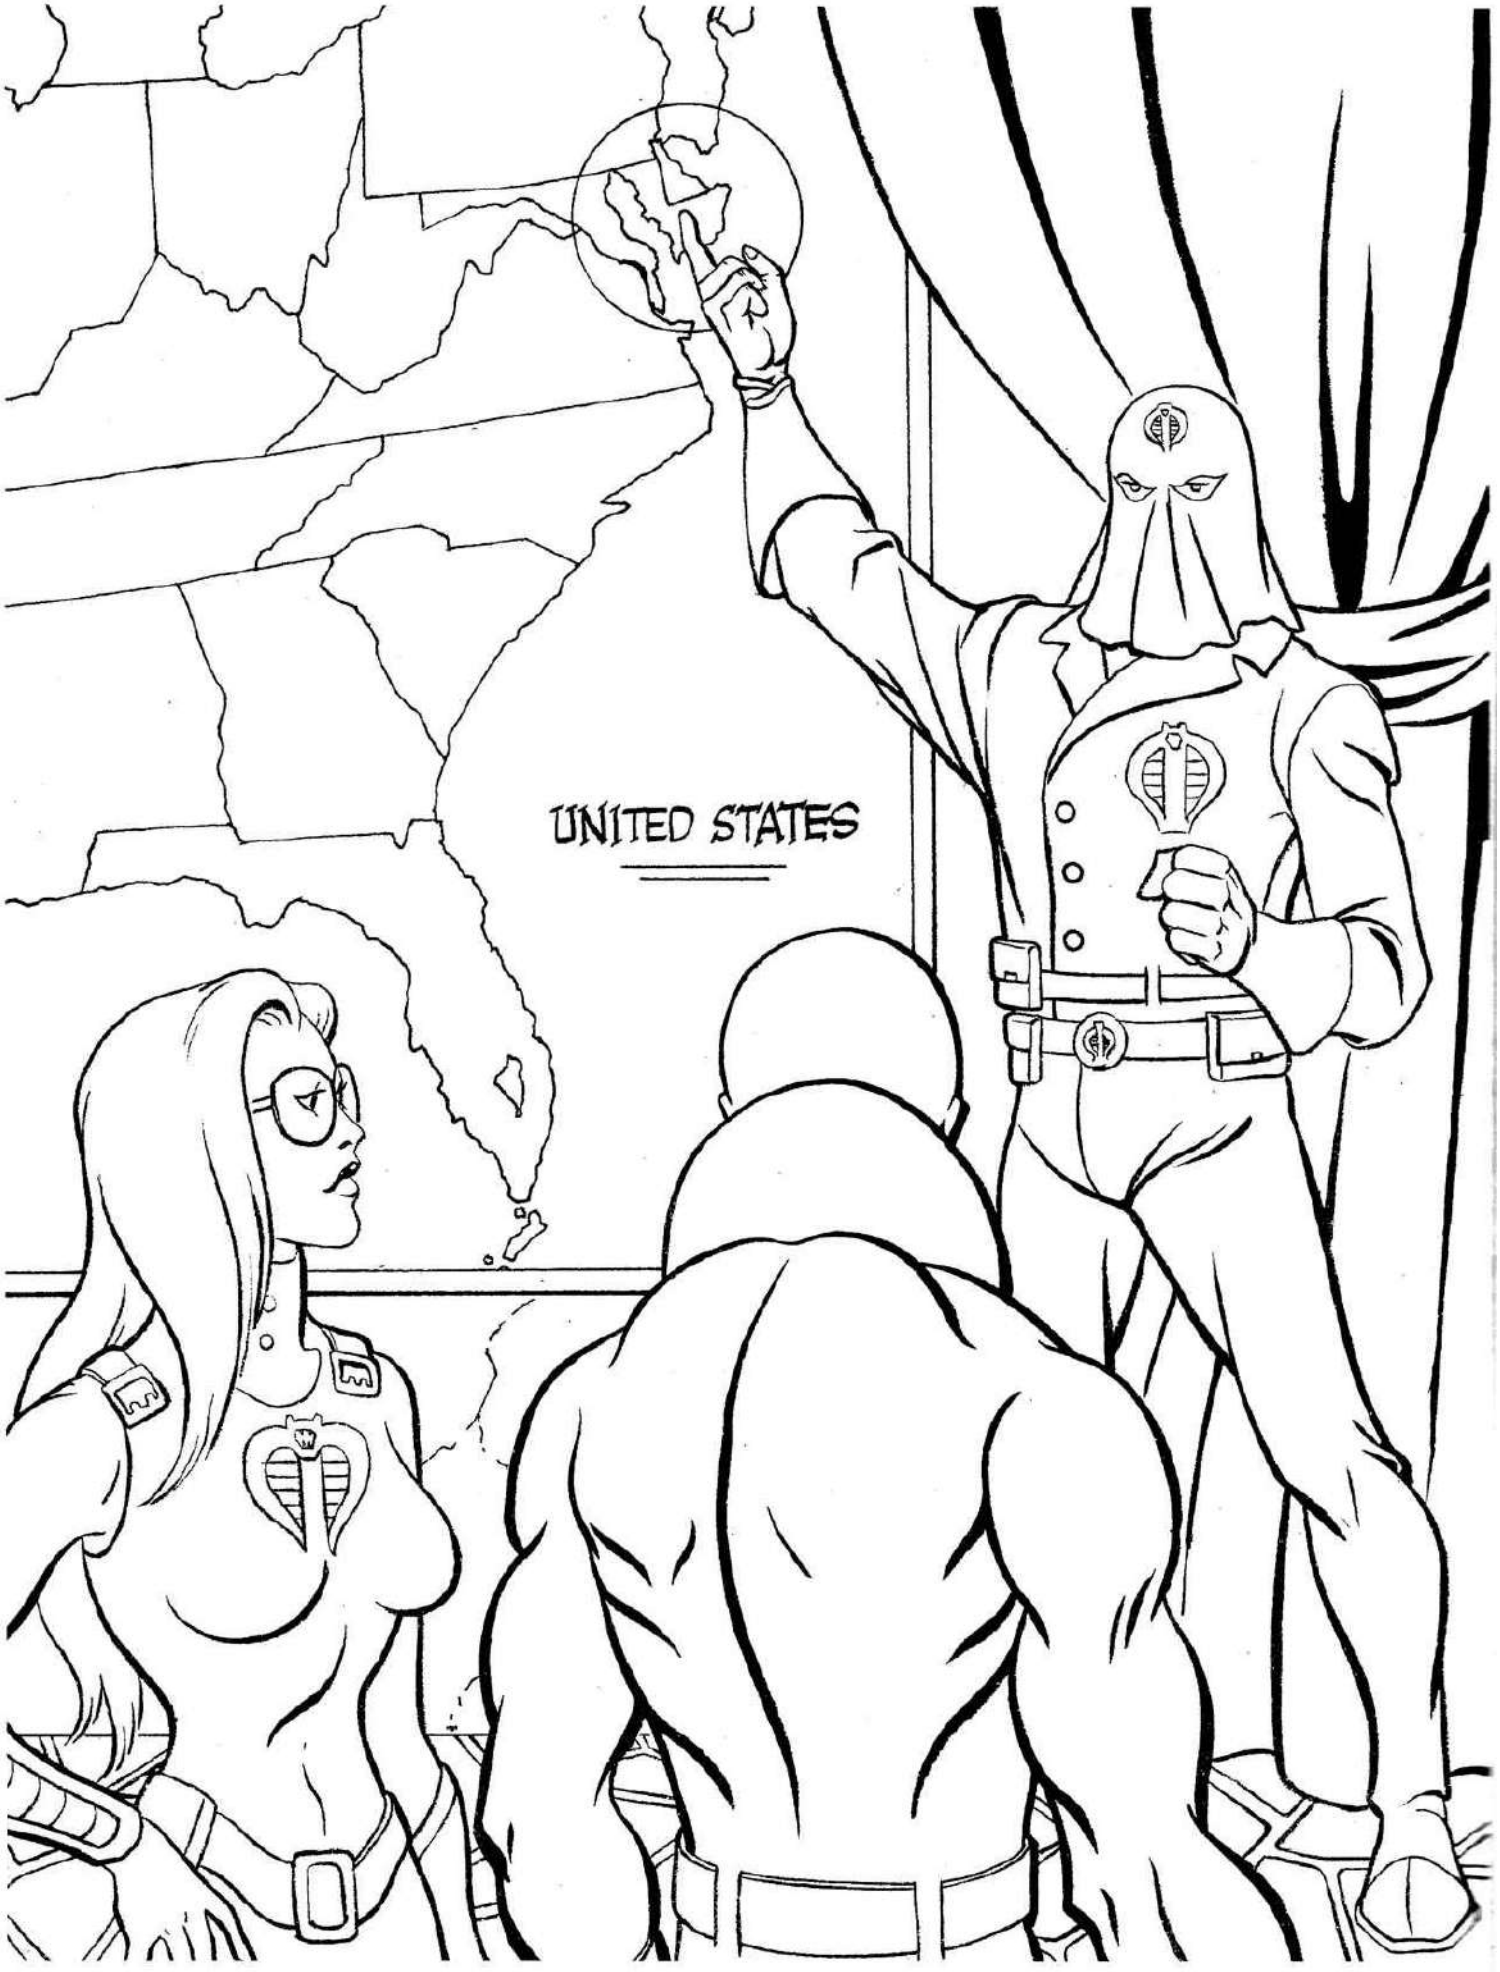
"My rockets will take care of those Cobra fighters!"



"That should chase them away!" says Cover Girl.

"Ace made it back safe and sound!"

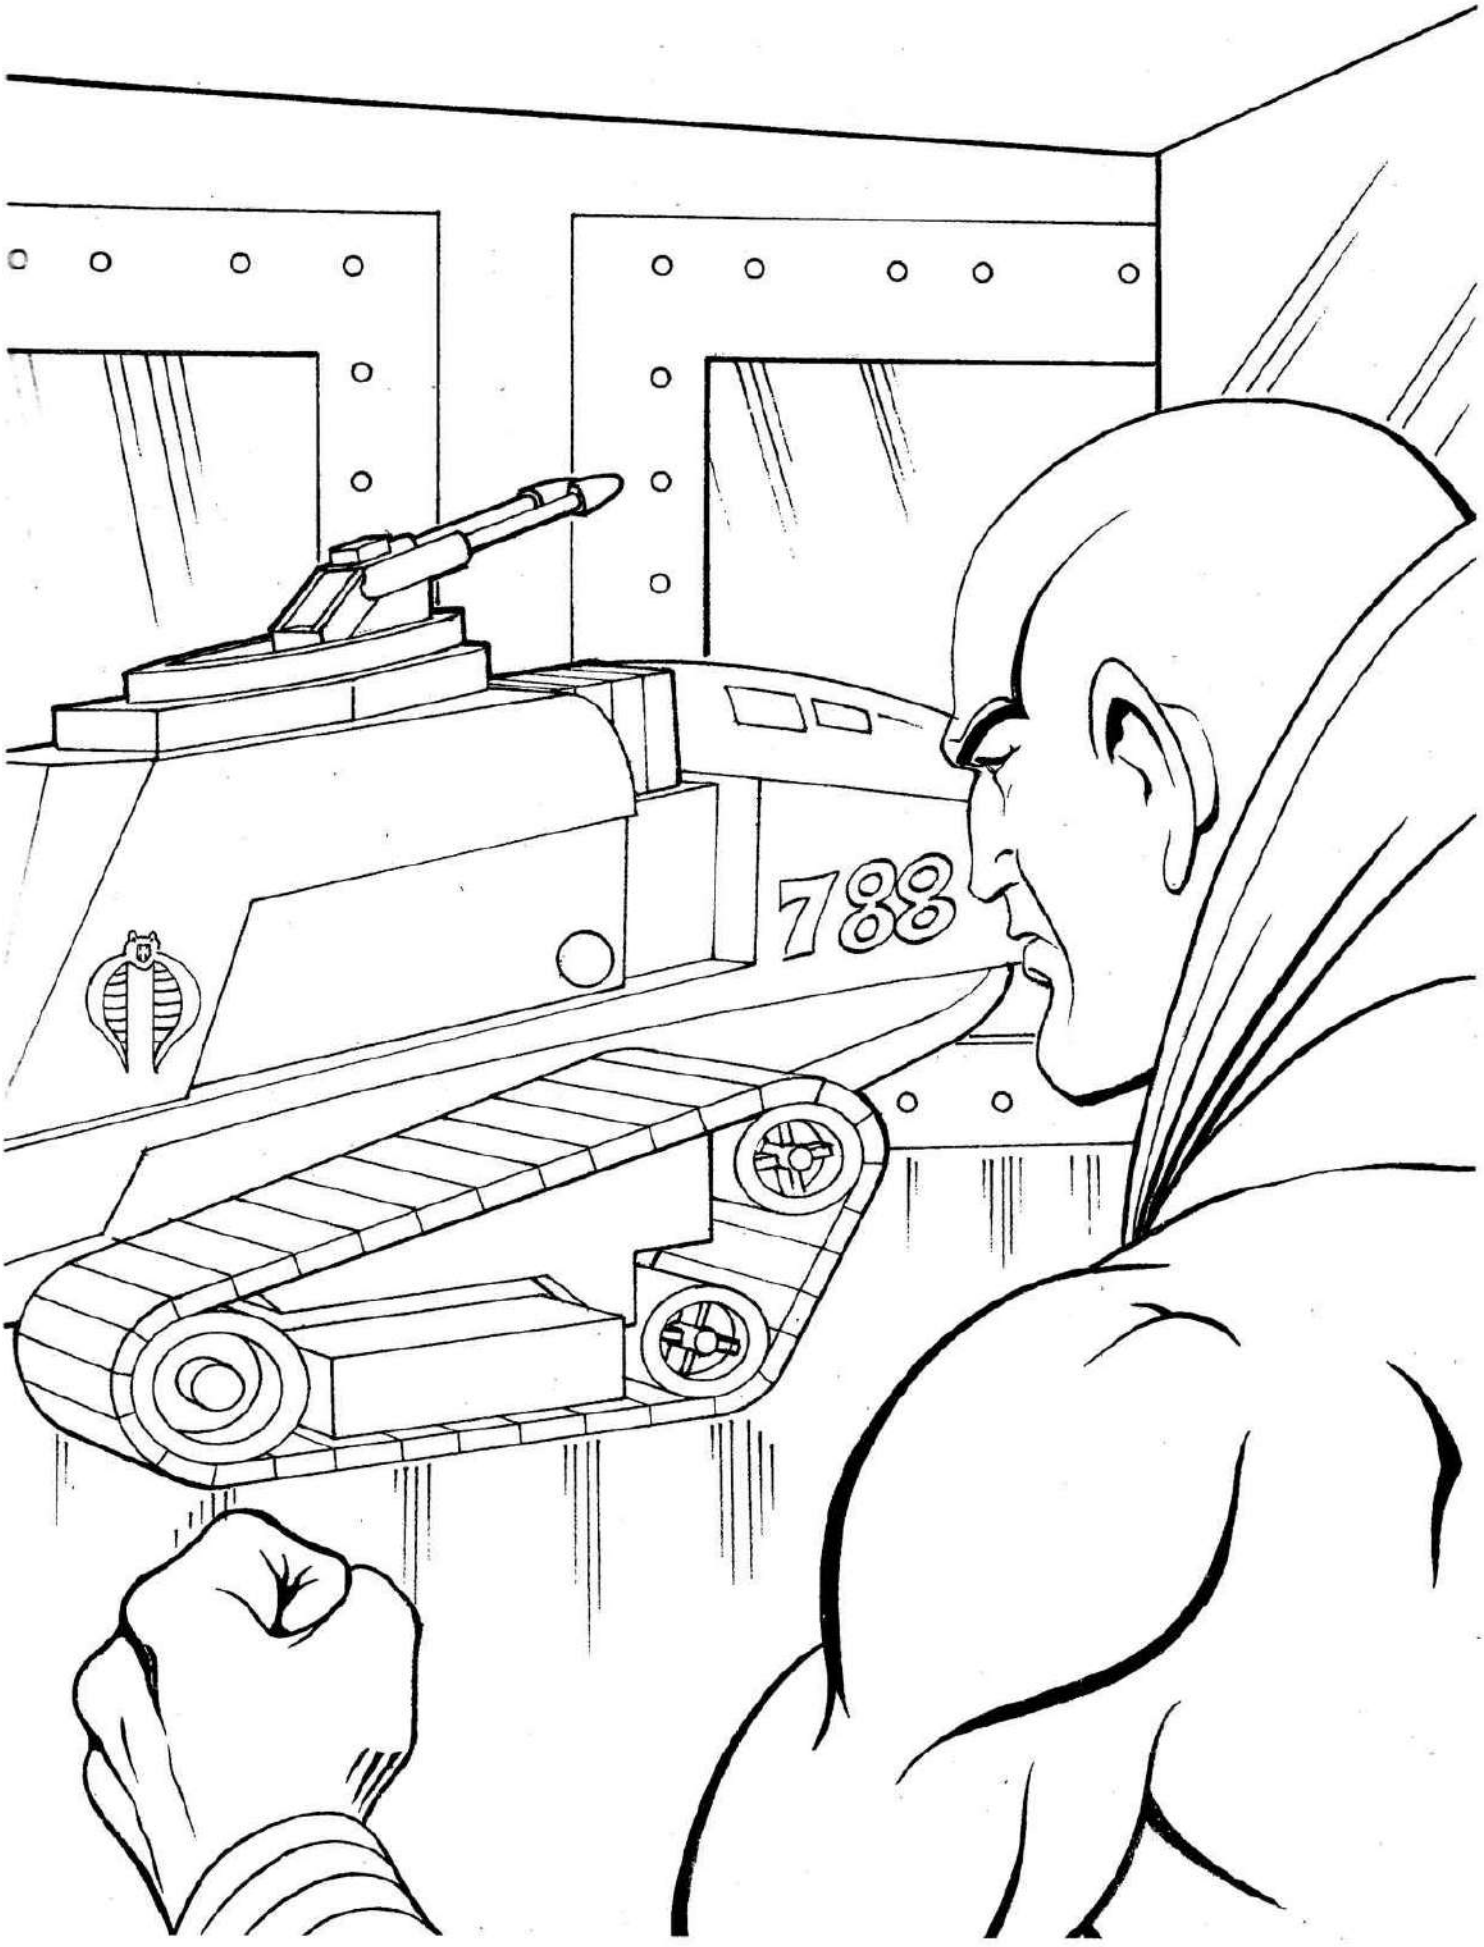
"Cobra Commander has a new plan to take over the world!"
Ace tells Duke.
"What is it? We'll stop him!" says Duke.



"We will capture the President!" says Cobra Commander.

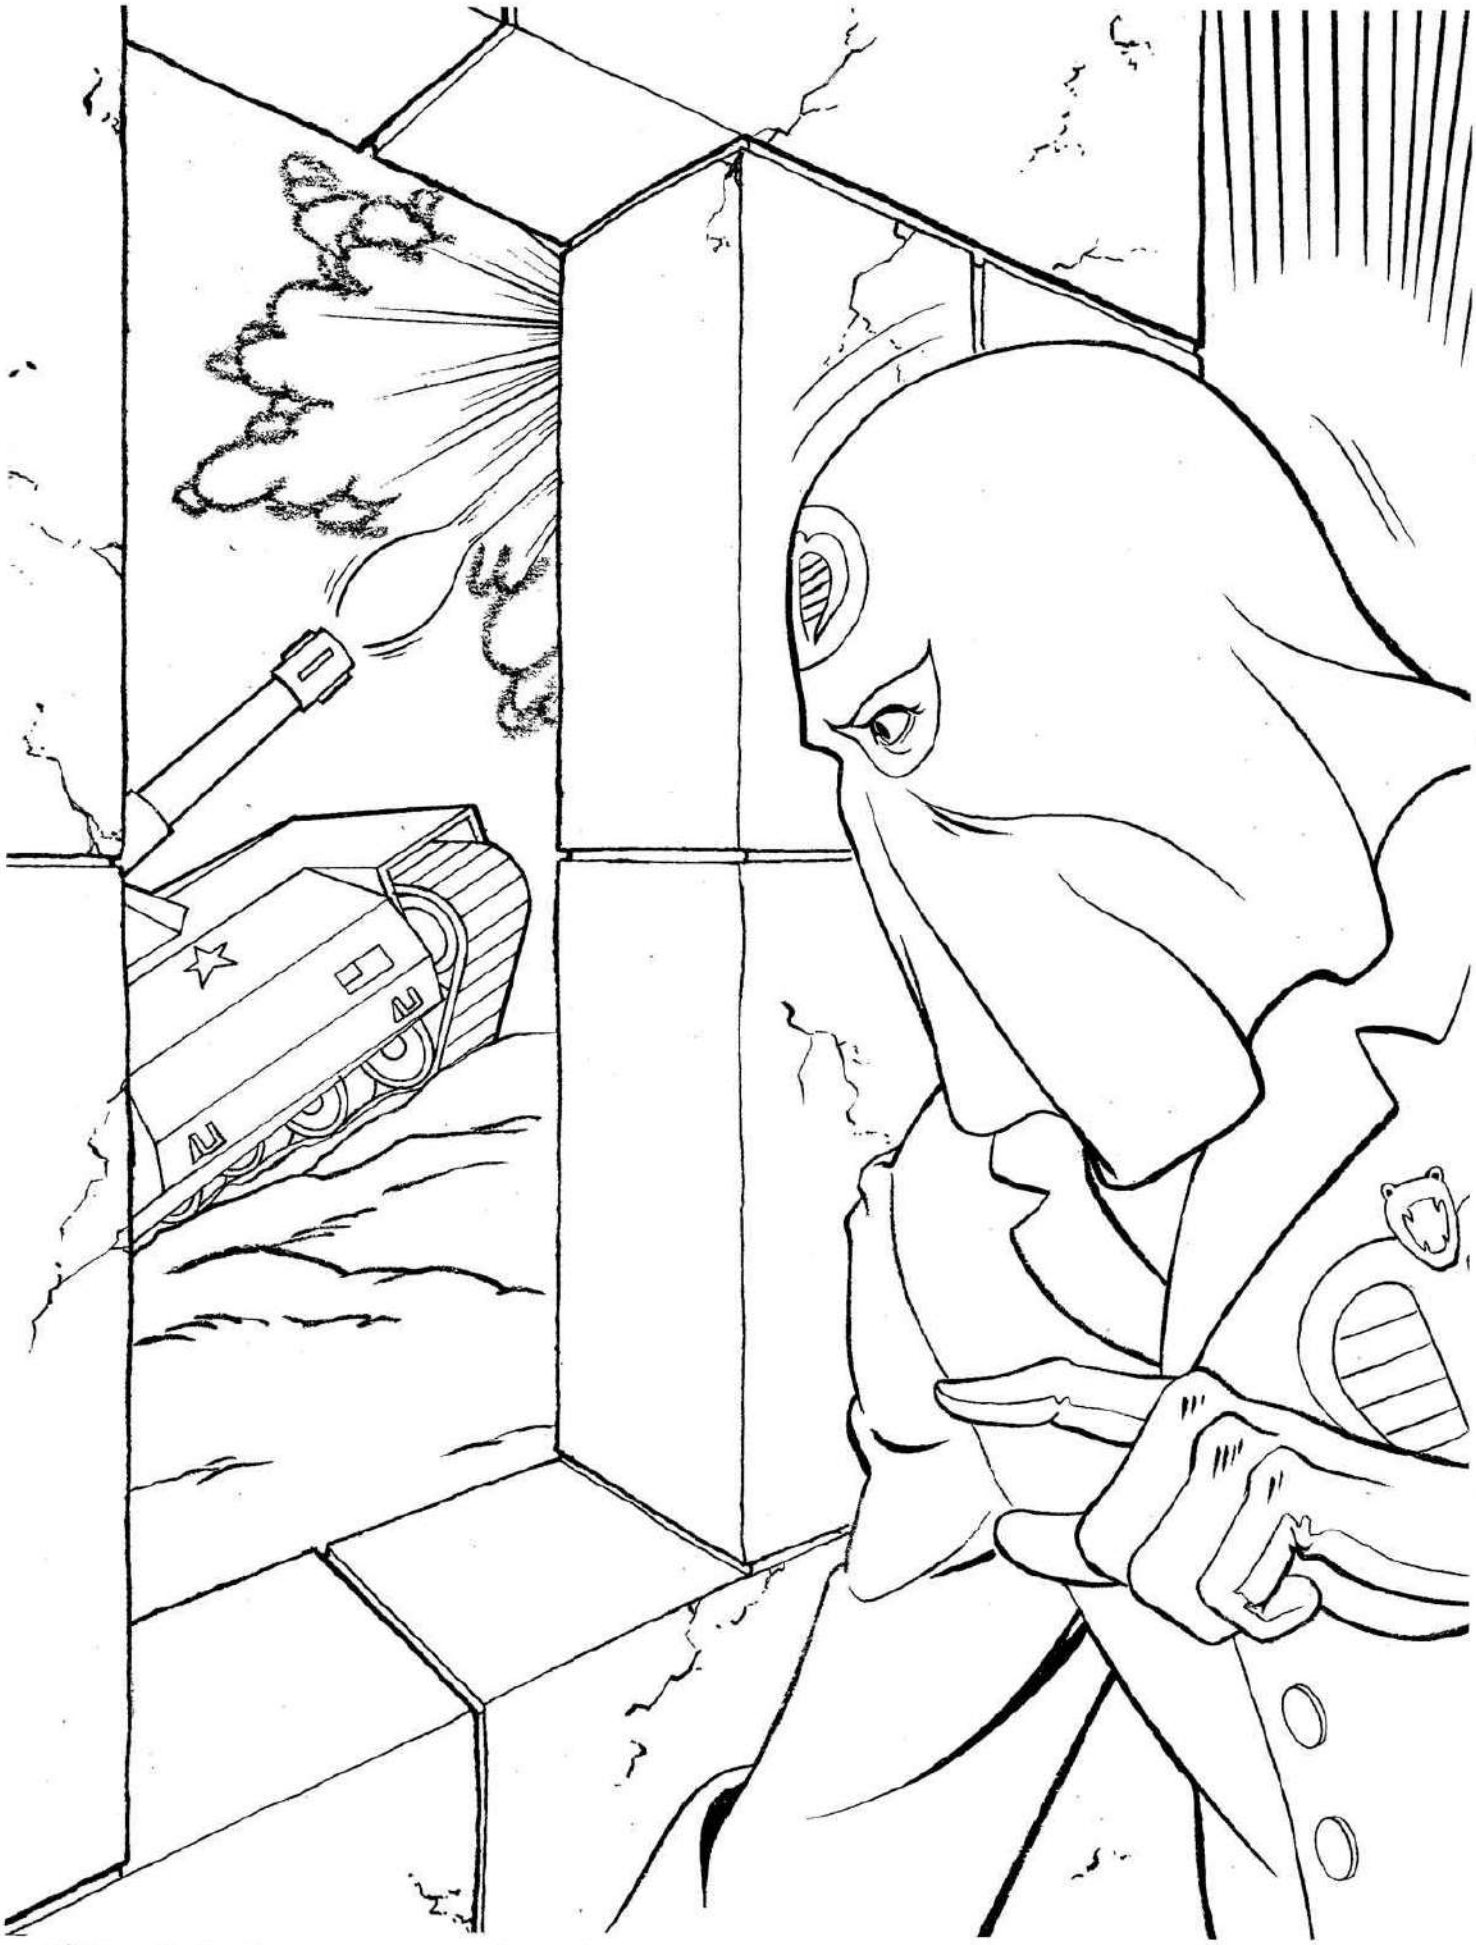
"With the President our prisoner, the G.I. Joes won't dare attack us!" cries Storm Shadow. "It is a perfect plan!"

"And, if any Joe is foolish enough to try, we'll throw him into our snake pit!" laughs Cobra Commander.

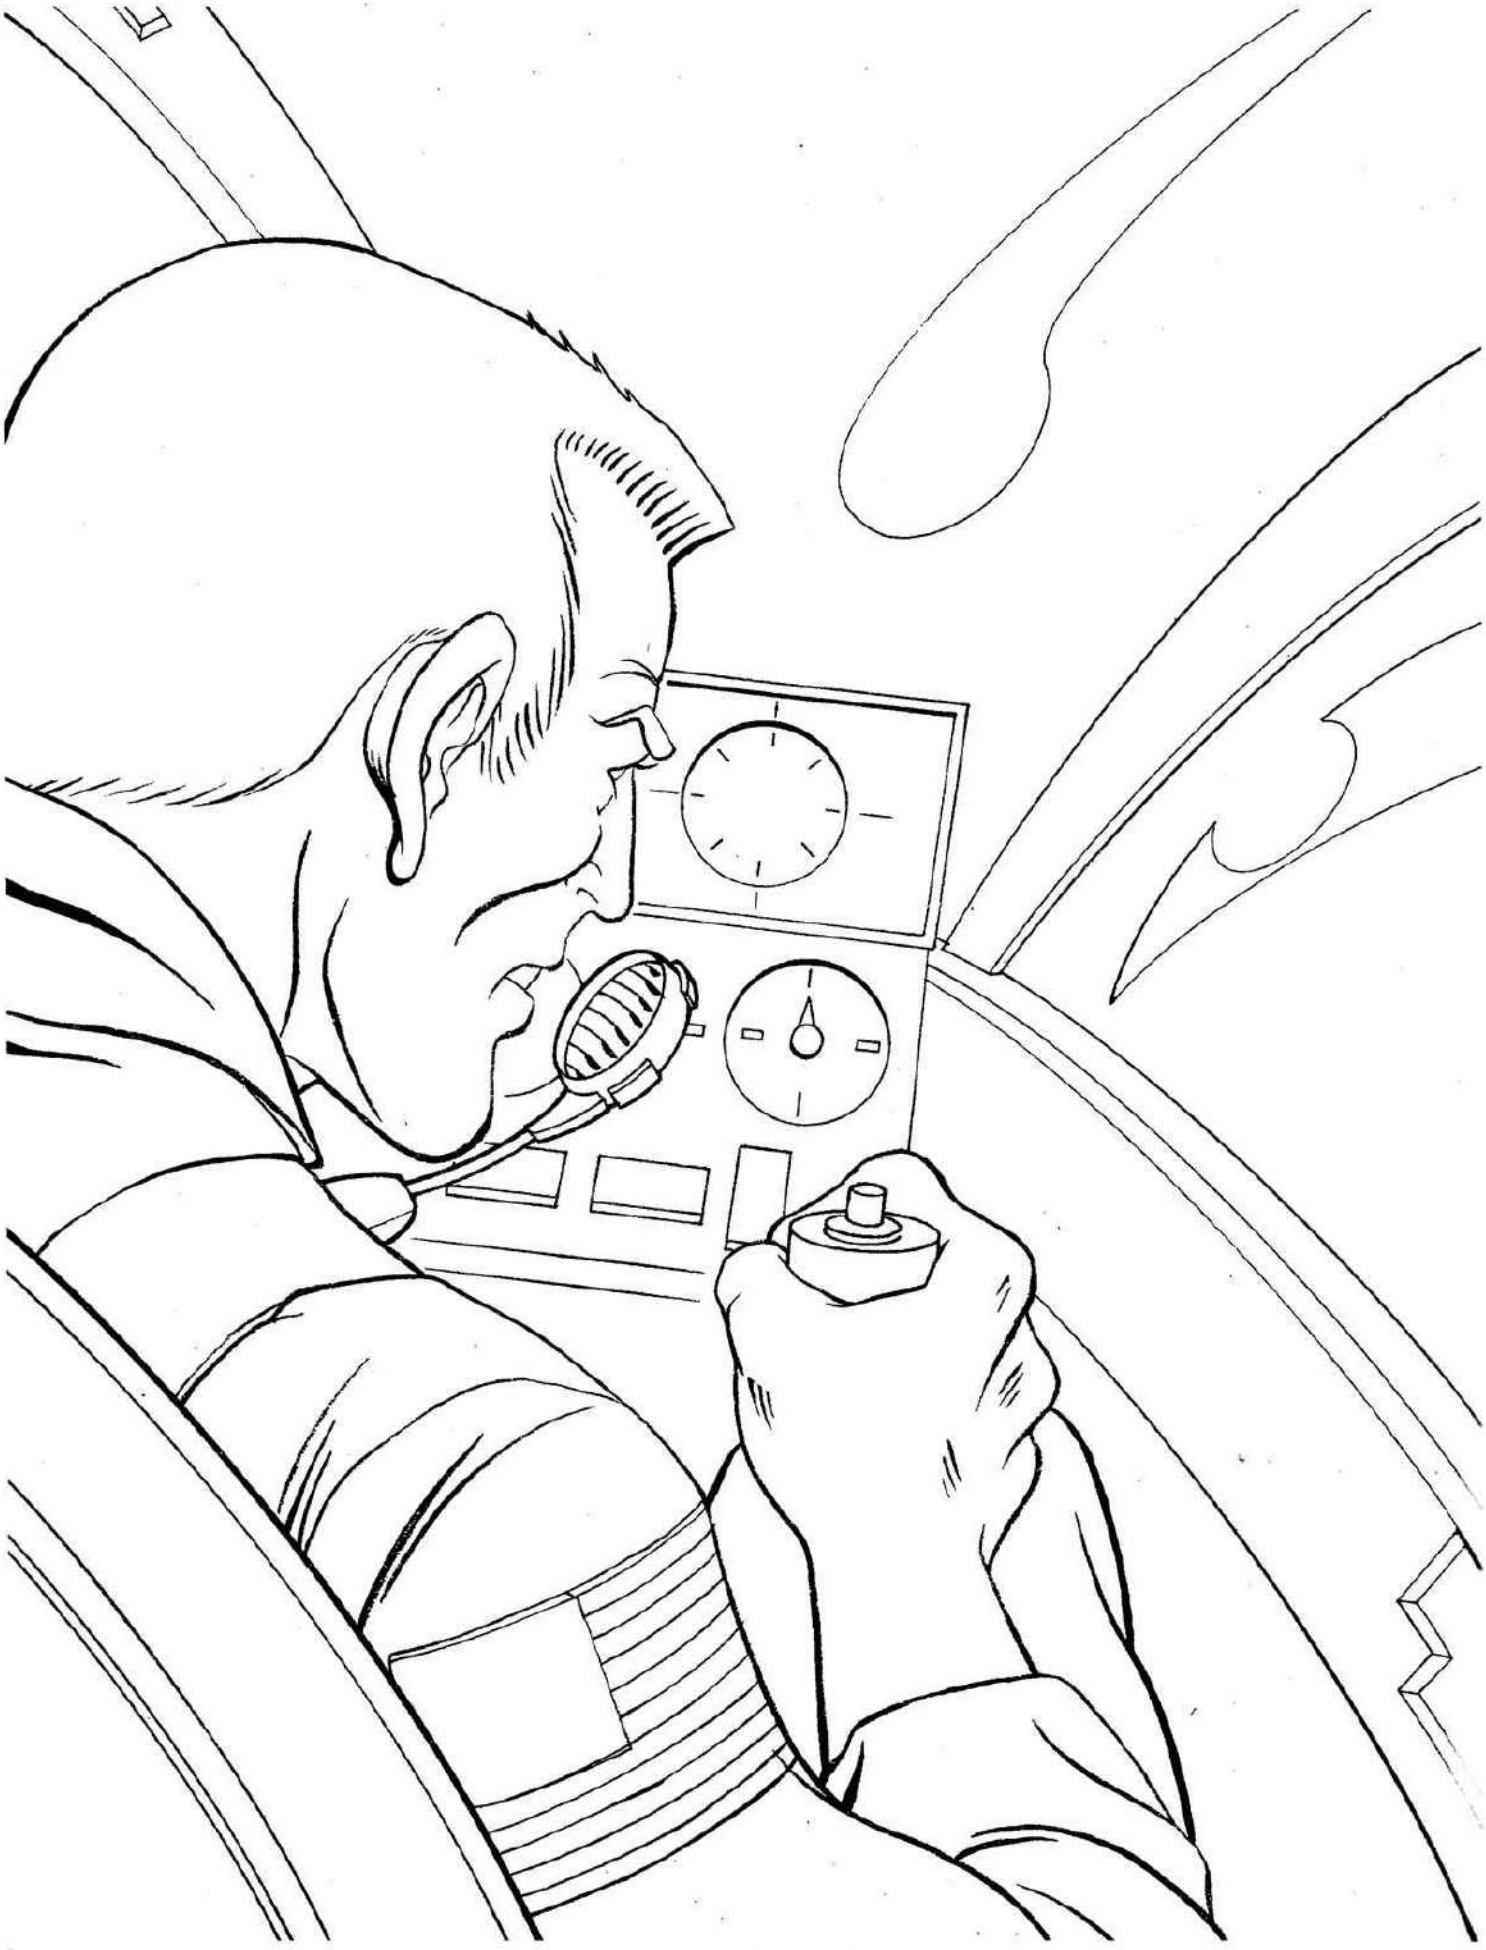


"Good! Soon I will get to use my new HISS tanks!" says Destro.

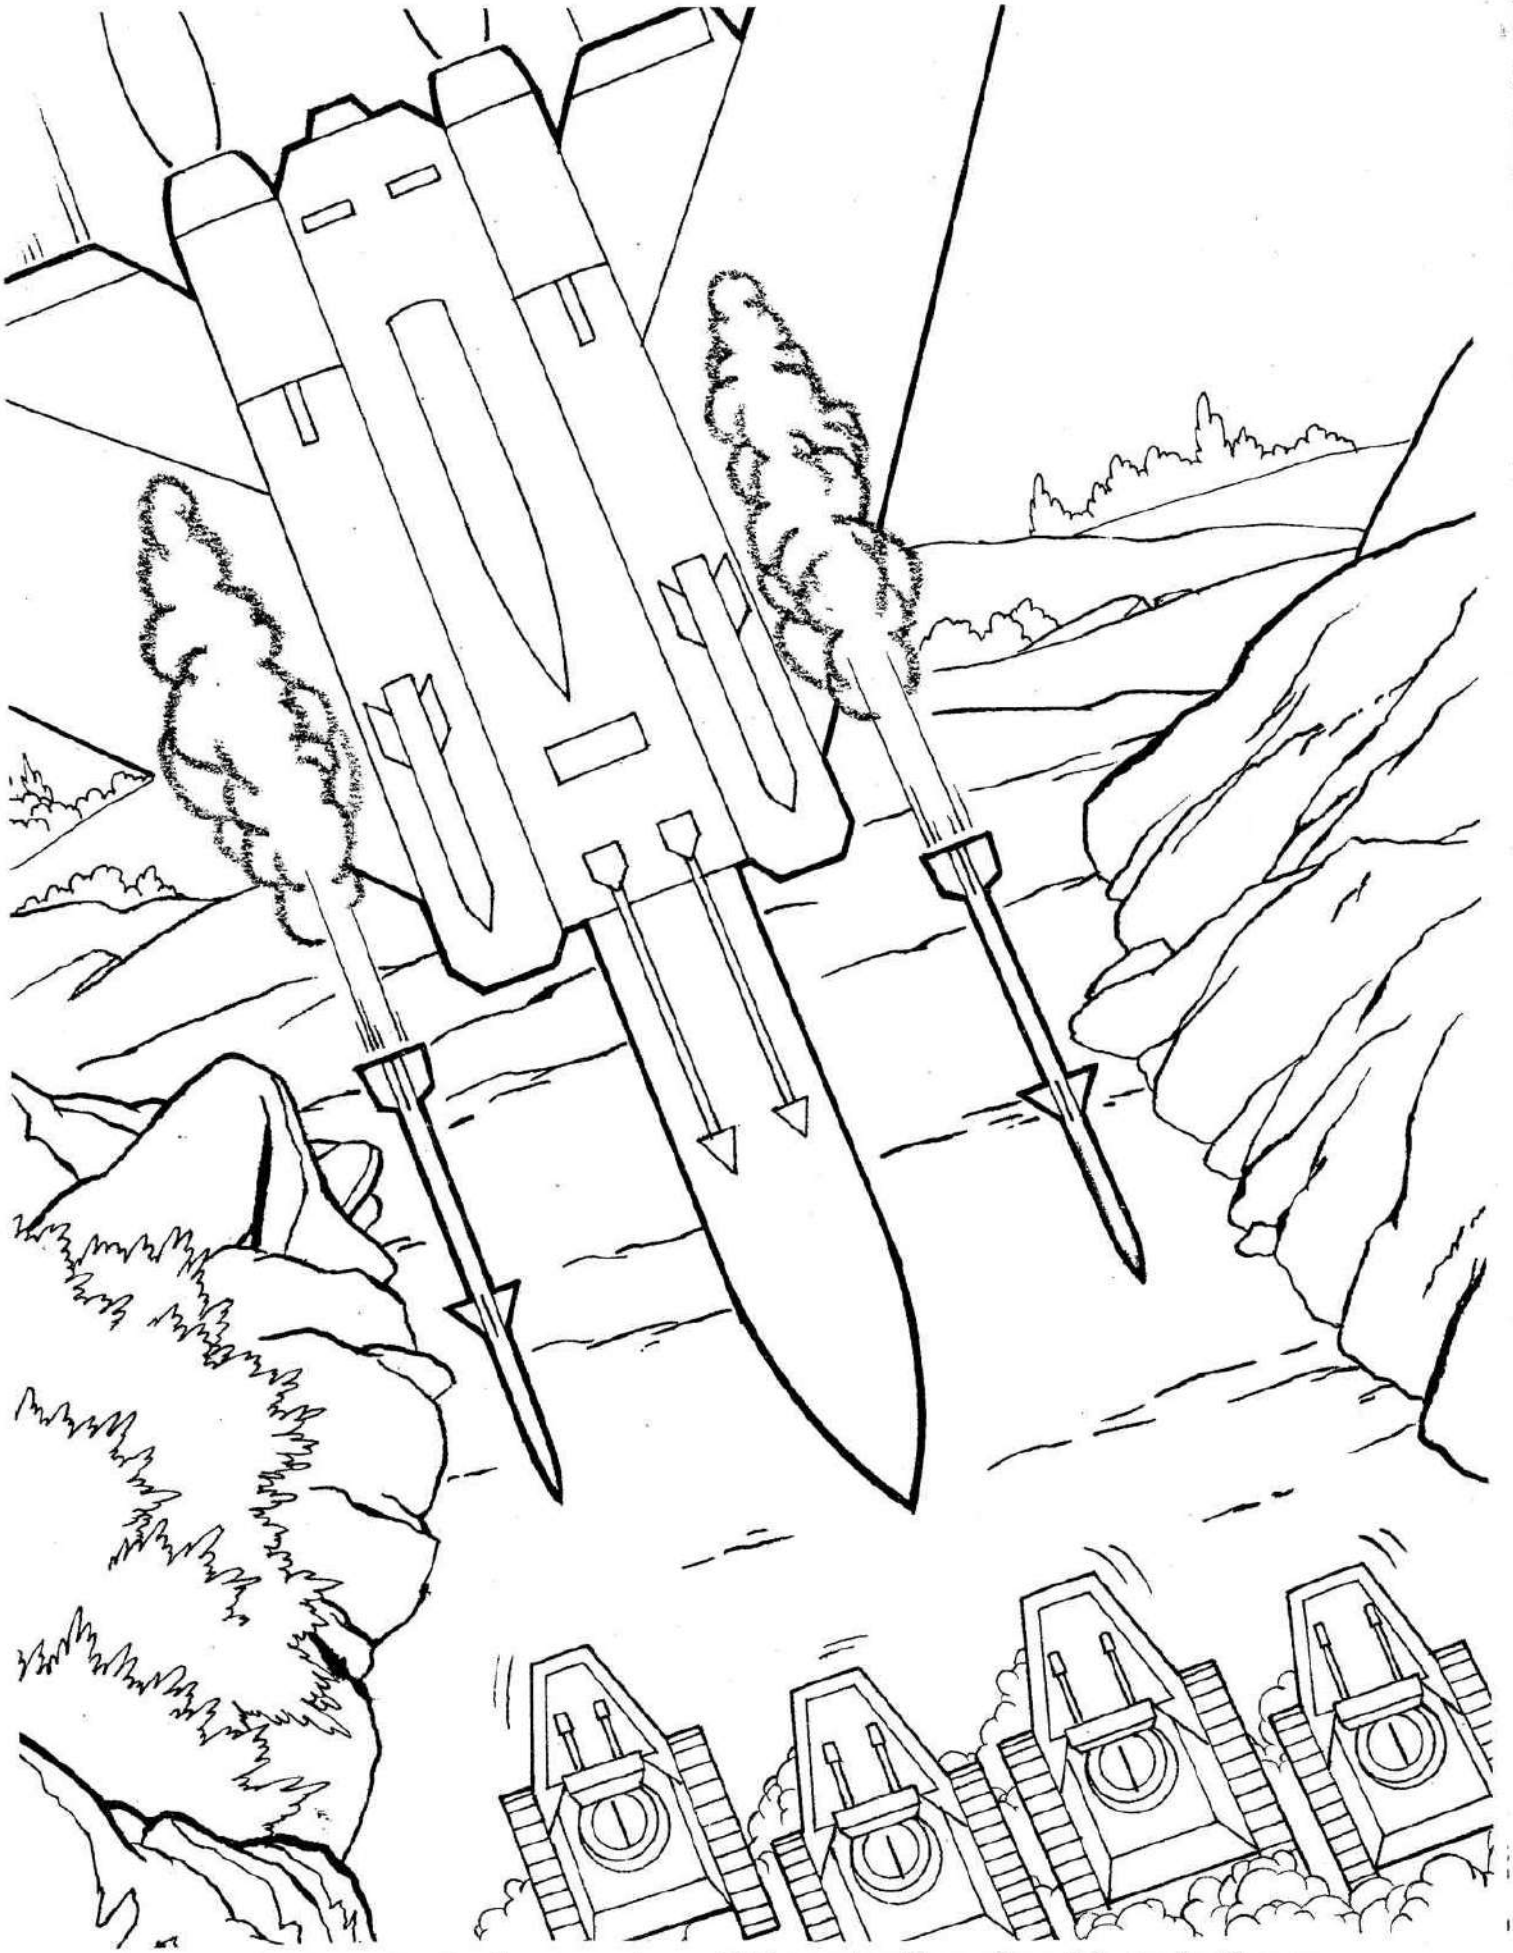
"What is happening?" shouts the Baroness. "Why is the bunker shaking?"



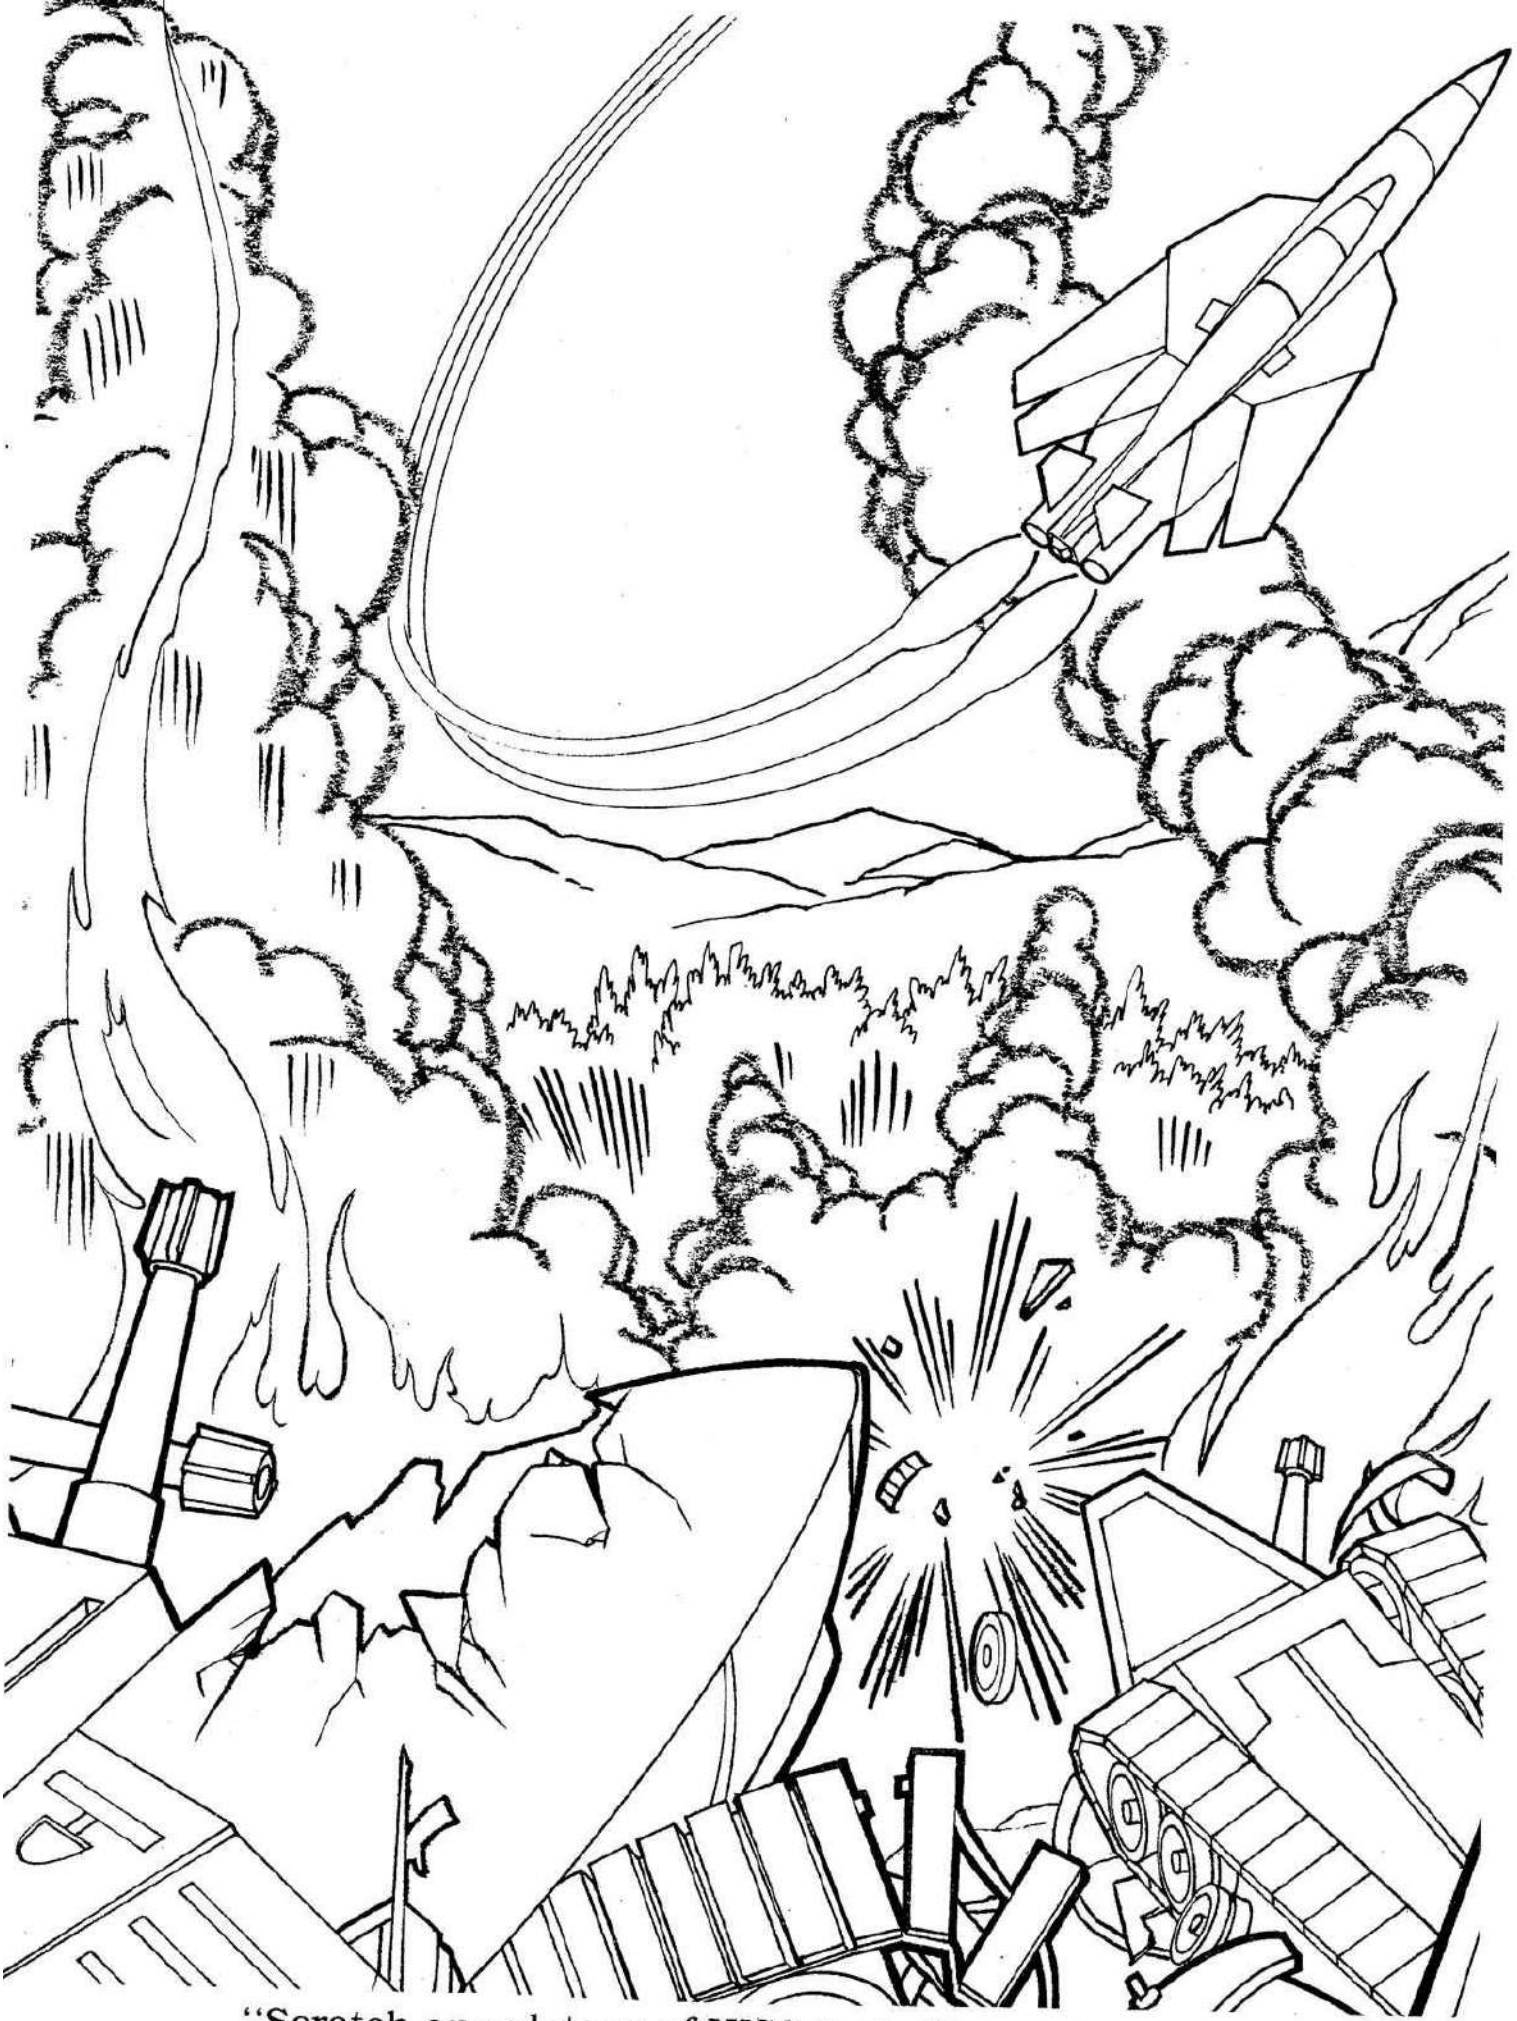
"The G.I. Joes are attacking! They must have discovered my plan!"



"Remember, Joes, we must keep Cobra's eyes on us so Snake Eyes and Roadblock can sneak inside!"



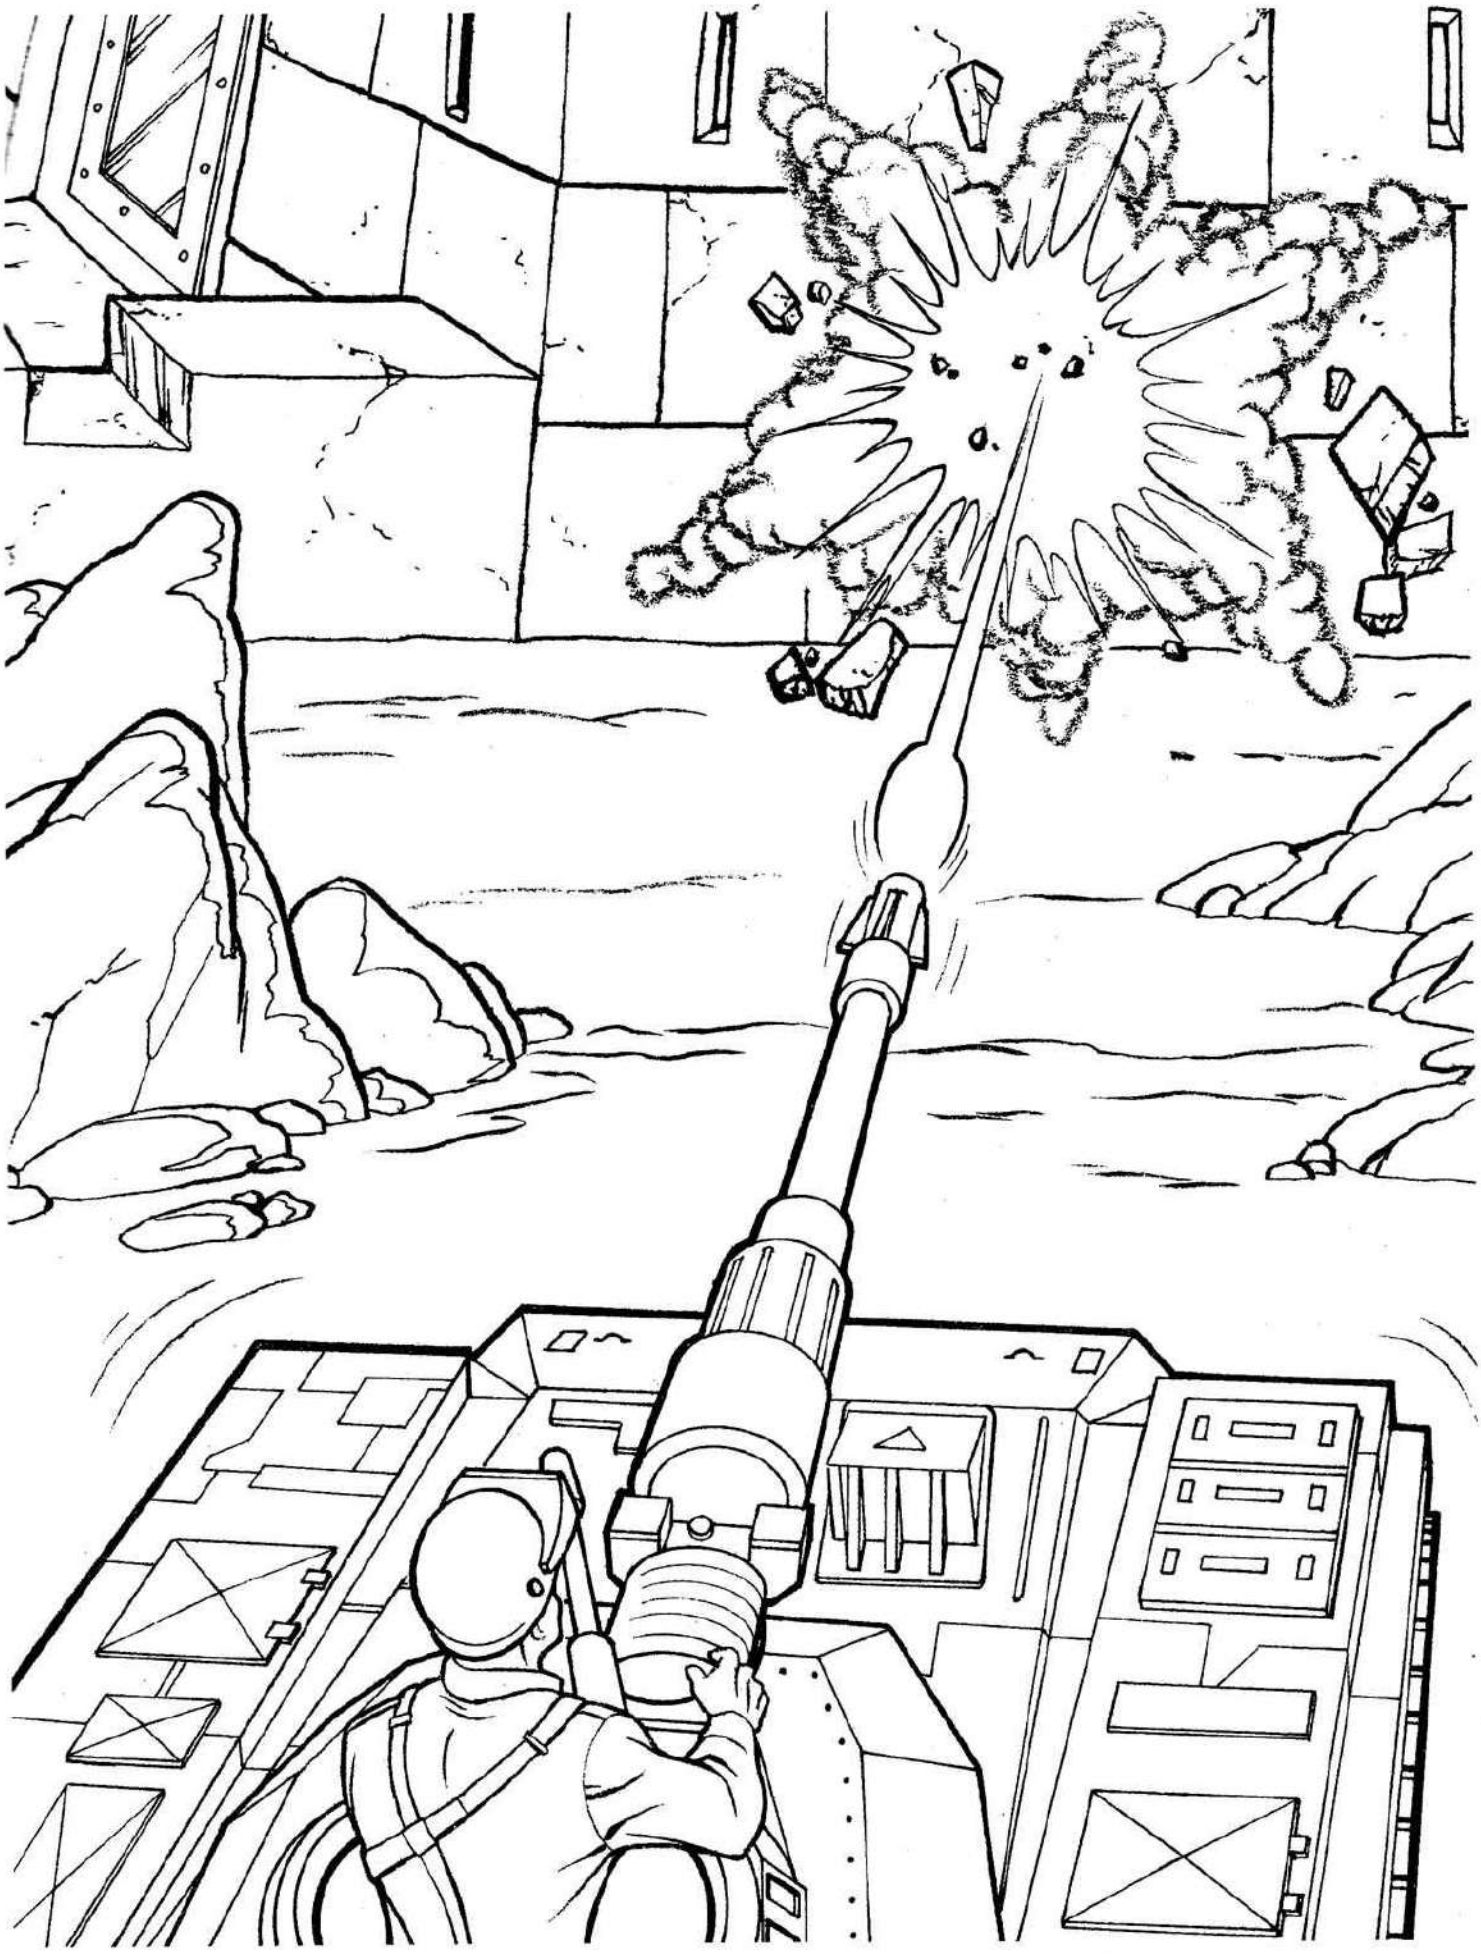
"Roger Wilco, Duke" says Ace. "My missiles should grab those HISS tanks' attention!"



"Scratch one platoon of HISS tanks!" says Ace.

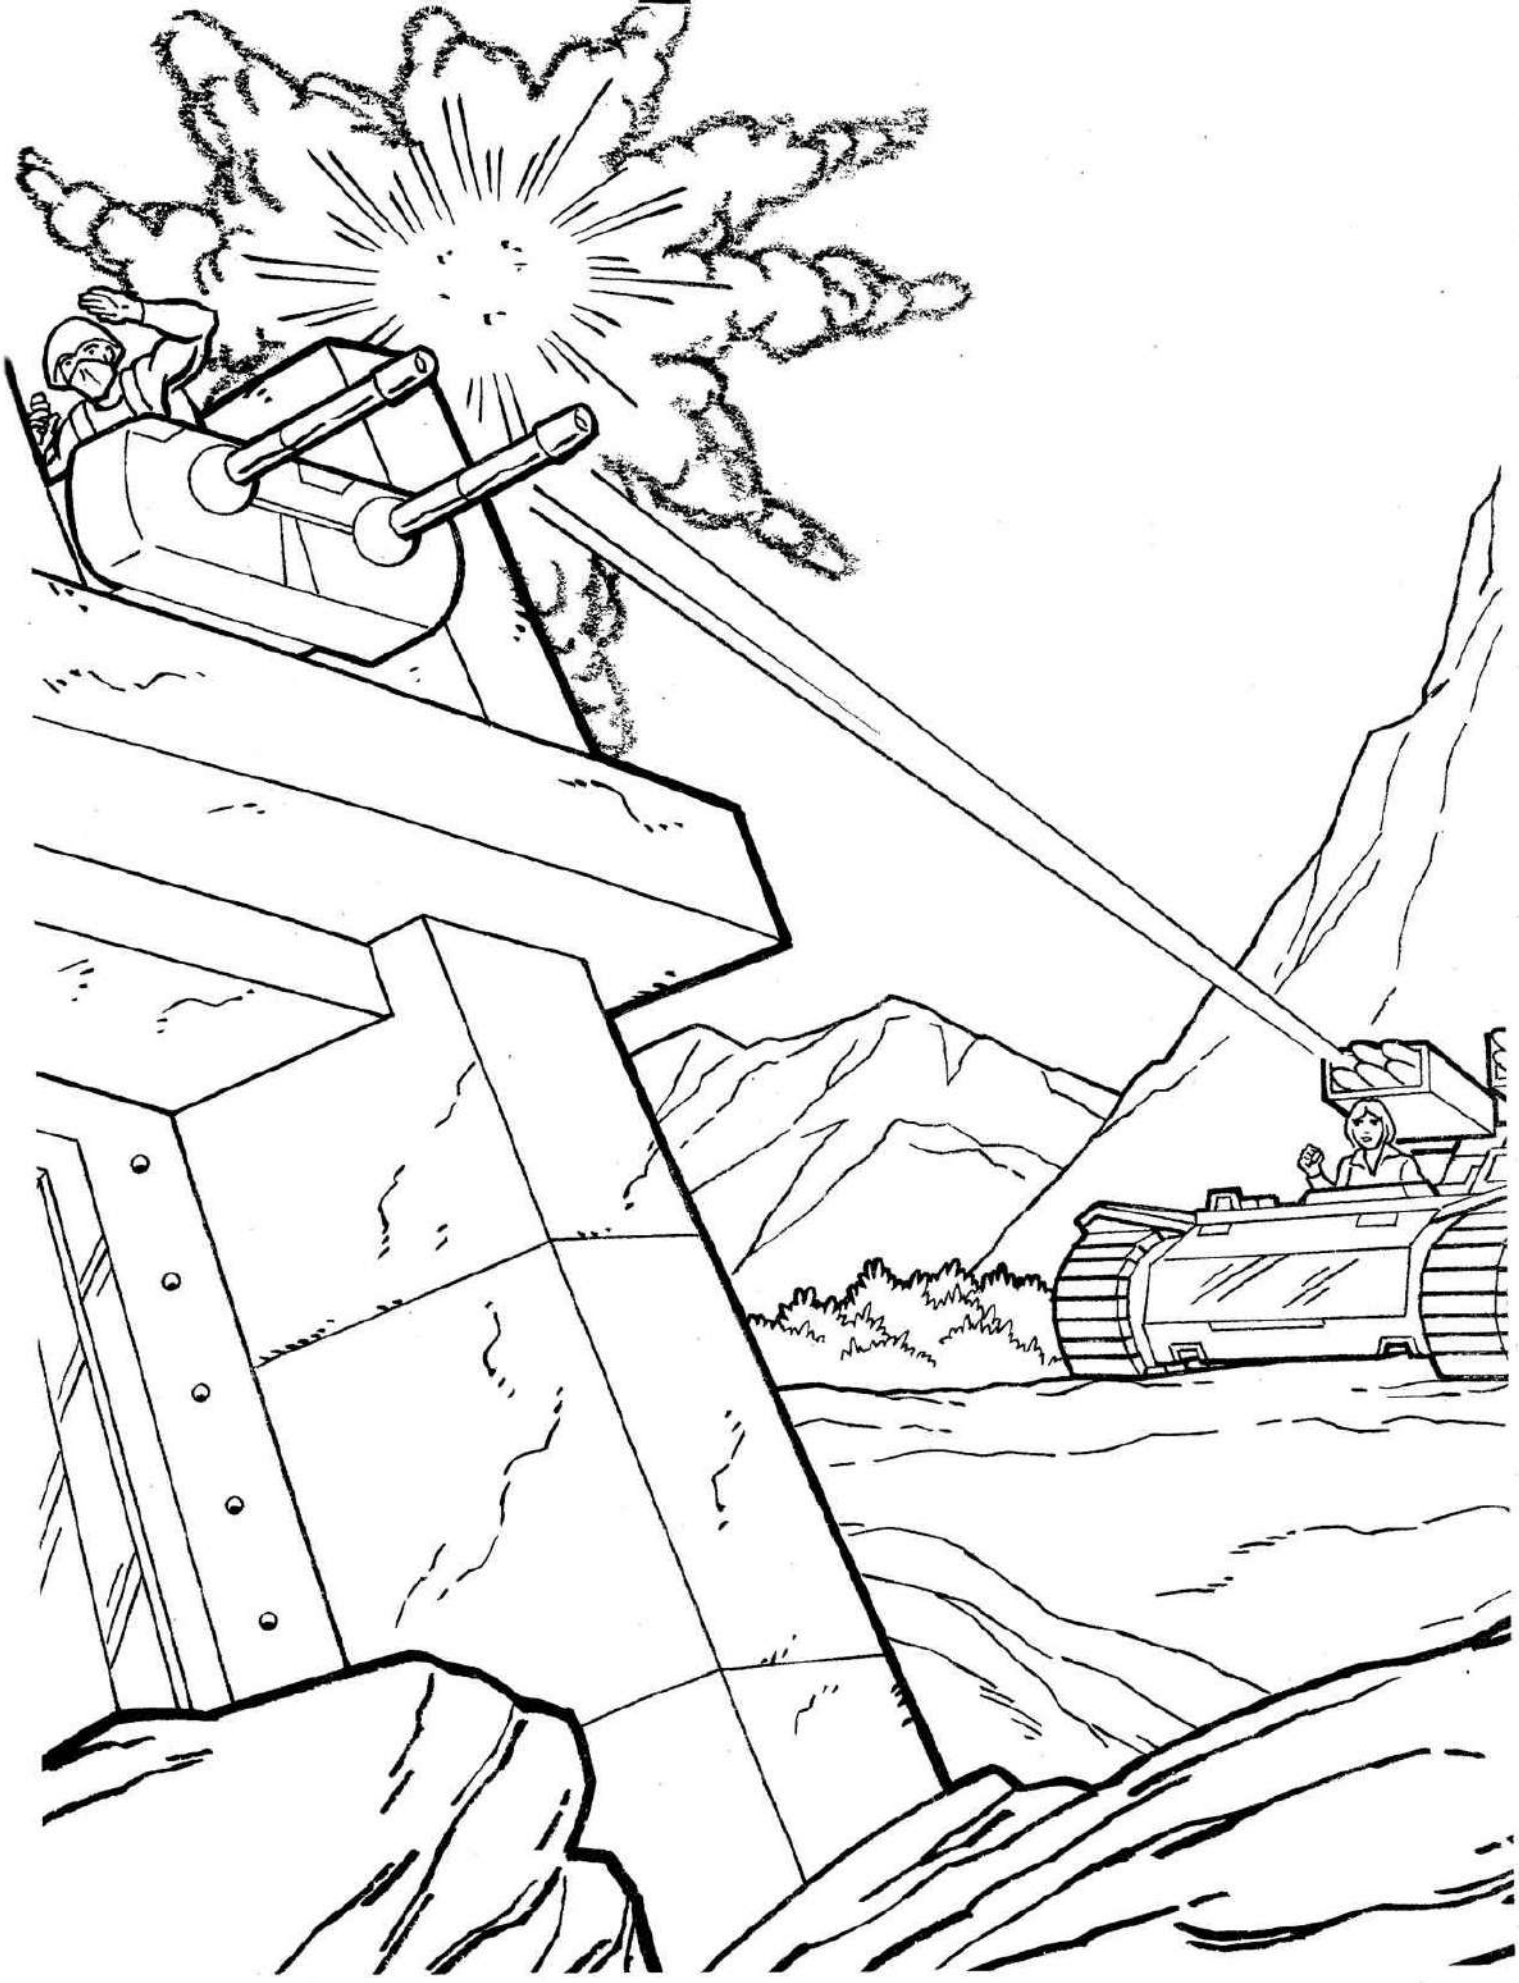
"Cobra Squadron One attack! The G.I. Joe pilot cannot see you coming with the sun at your back!" orders Cobra Commander.

"This takes care of one not-so-sneaky attack!" says Duke.



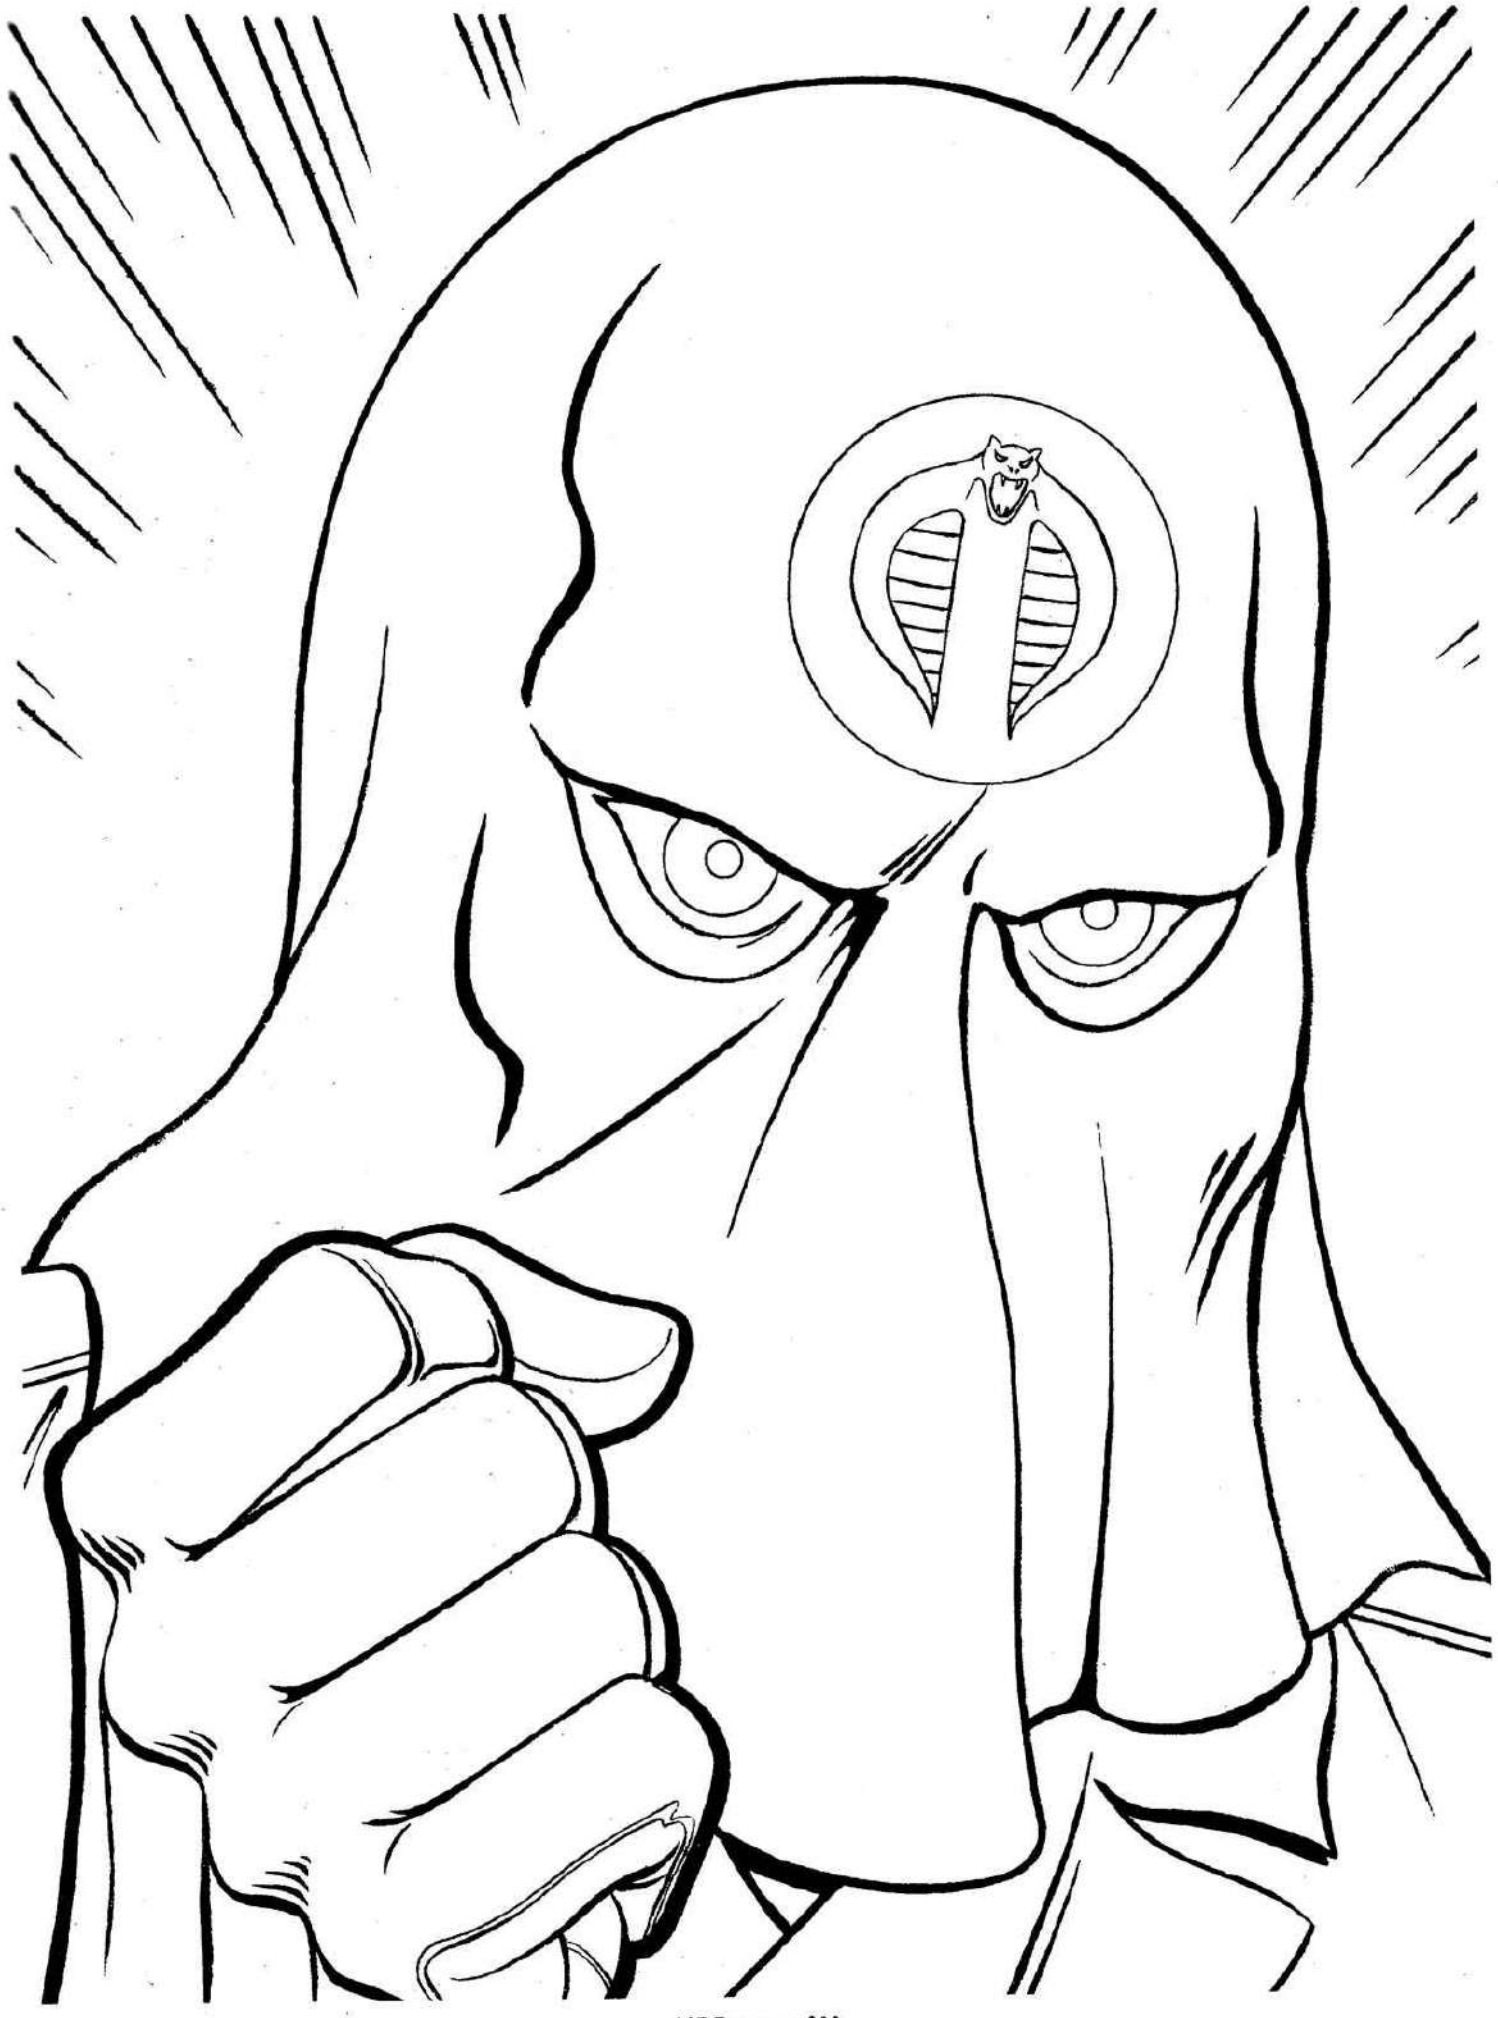
"Now's my chance to use the power of my MOBAT to open a door for my friends!"

"Let's go, Snake Eyes!" yells Roadblock. "We have to get in before Cobra Commander finds out what's happened!"



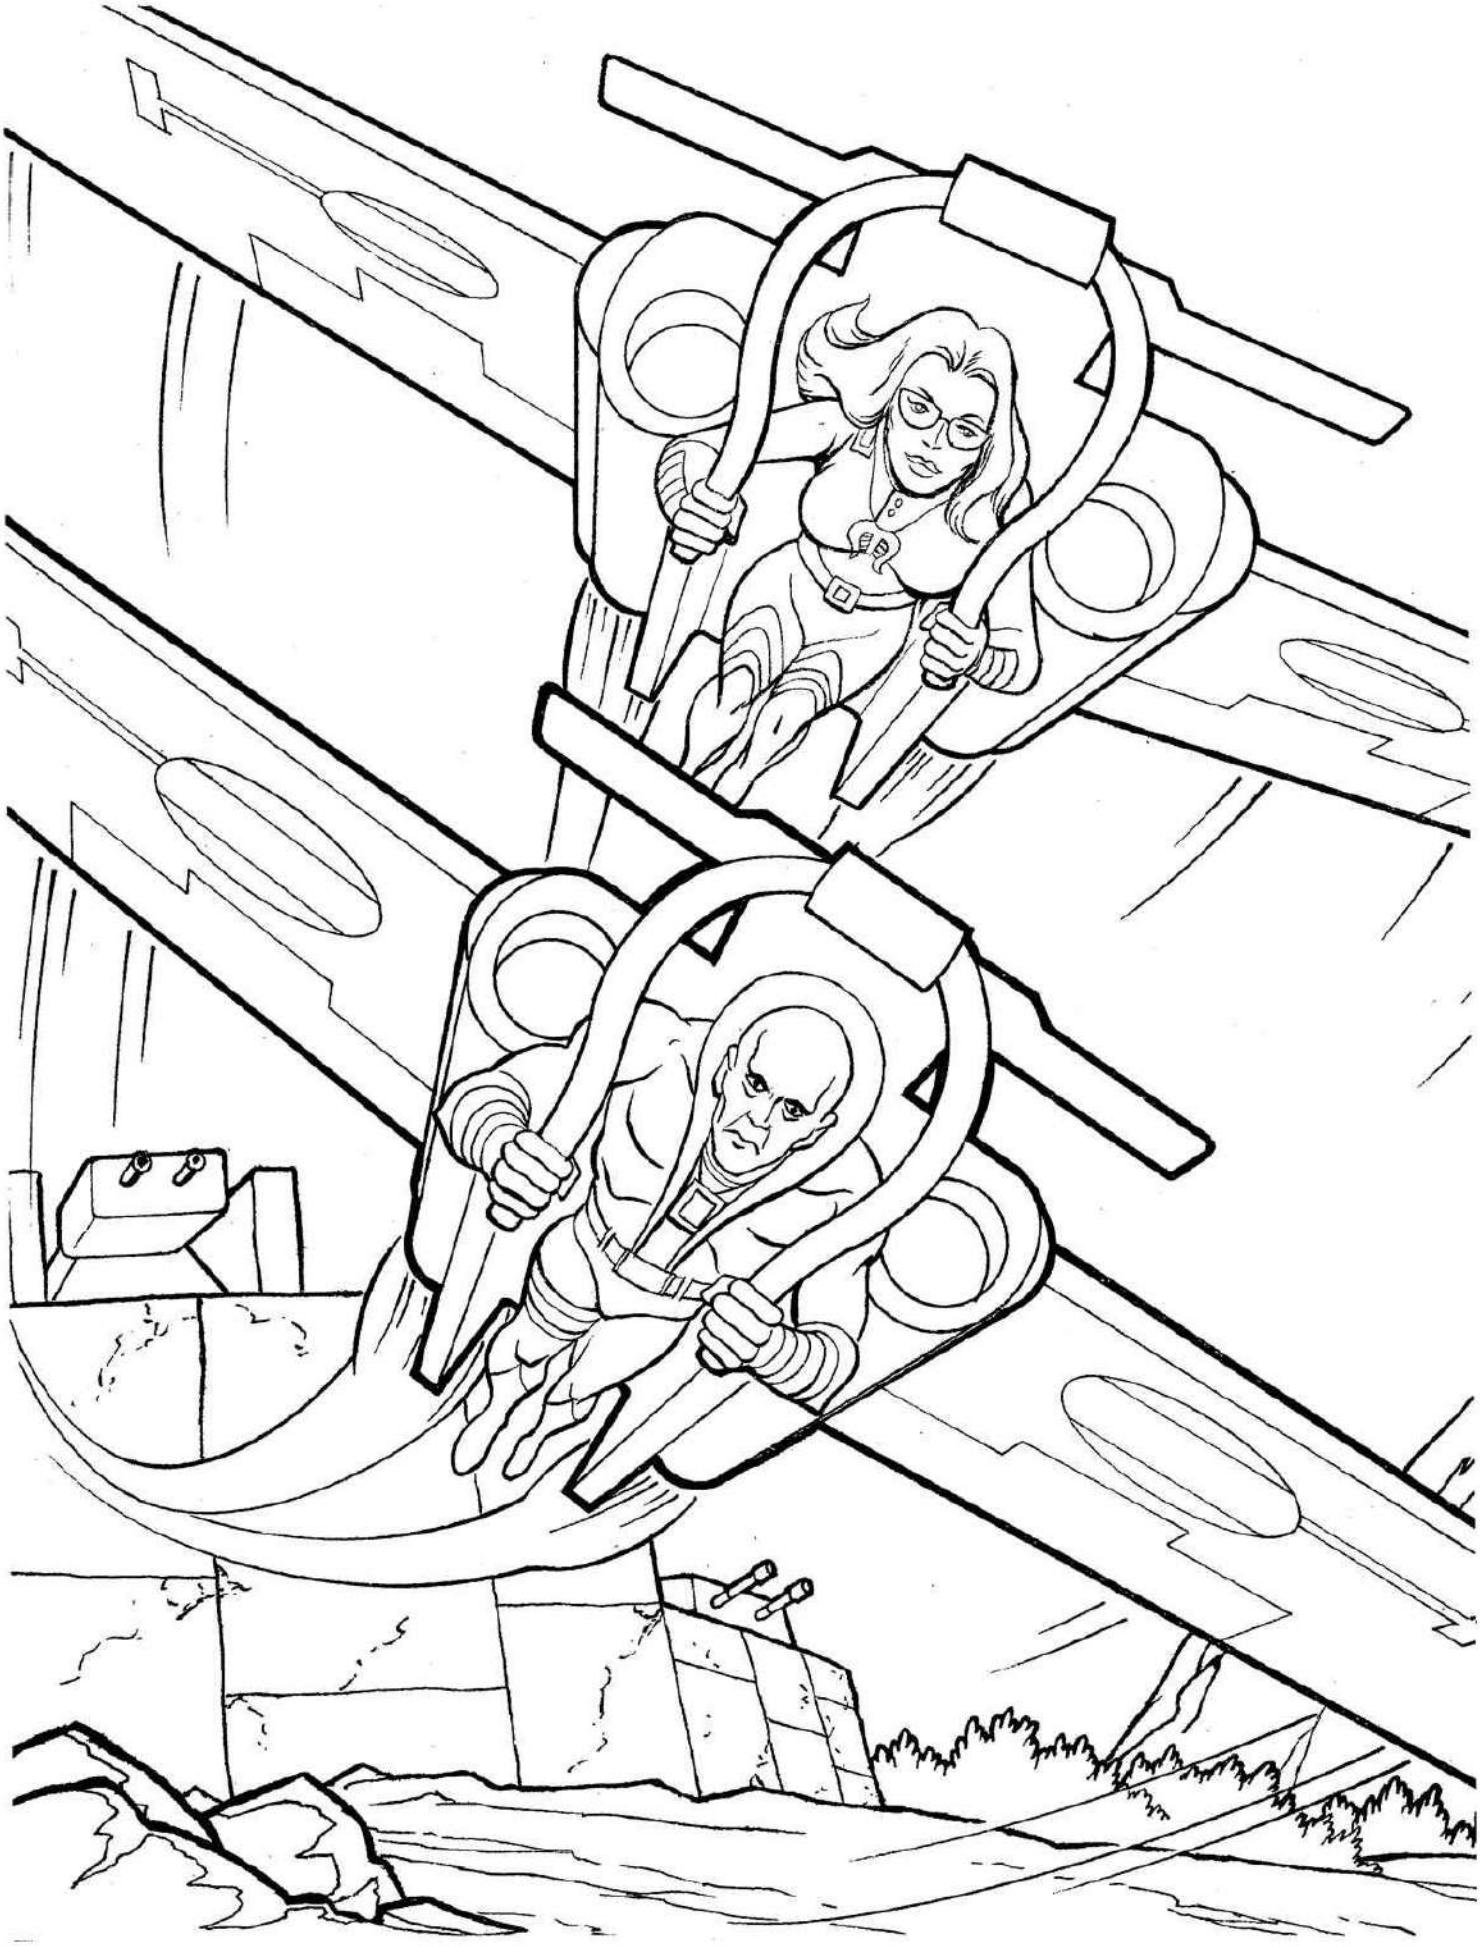
"This will keep any Cobras on the top of the bunker from seeing Snake Eyes and Roadblock!" says Cover Girl.

"The G.I. Joes are skillful enemies!" says Storm Shadow. "I think we should leave this bunker!"



"Never!"

"Come on, Destro!" says the Baroness. "It is up to us to win the battle for Cobra!"



"Not even the G.I. Joes can stop us in our Cobra Claw Flying Wings!" says Destro.

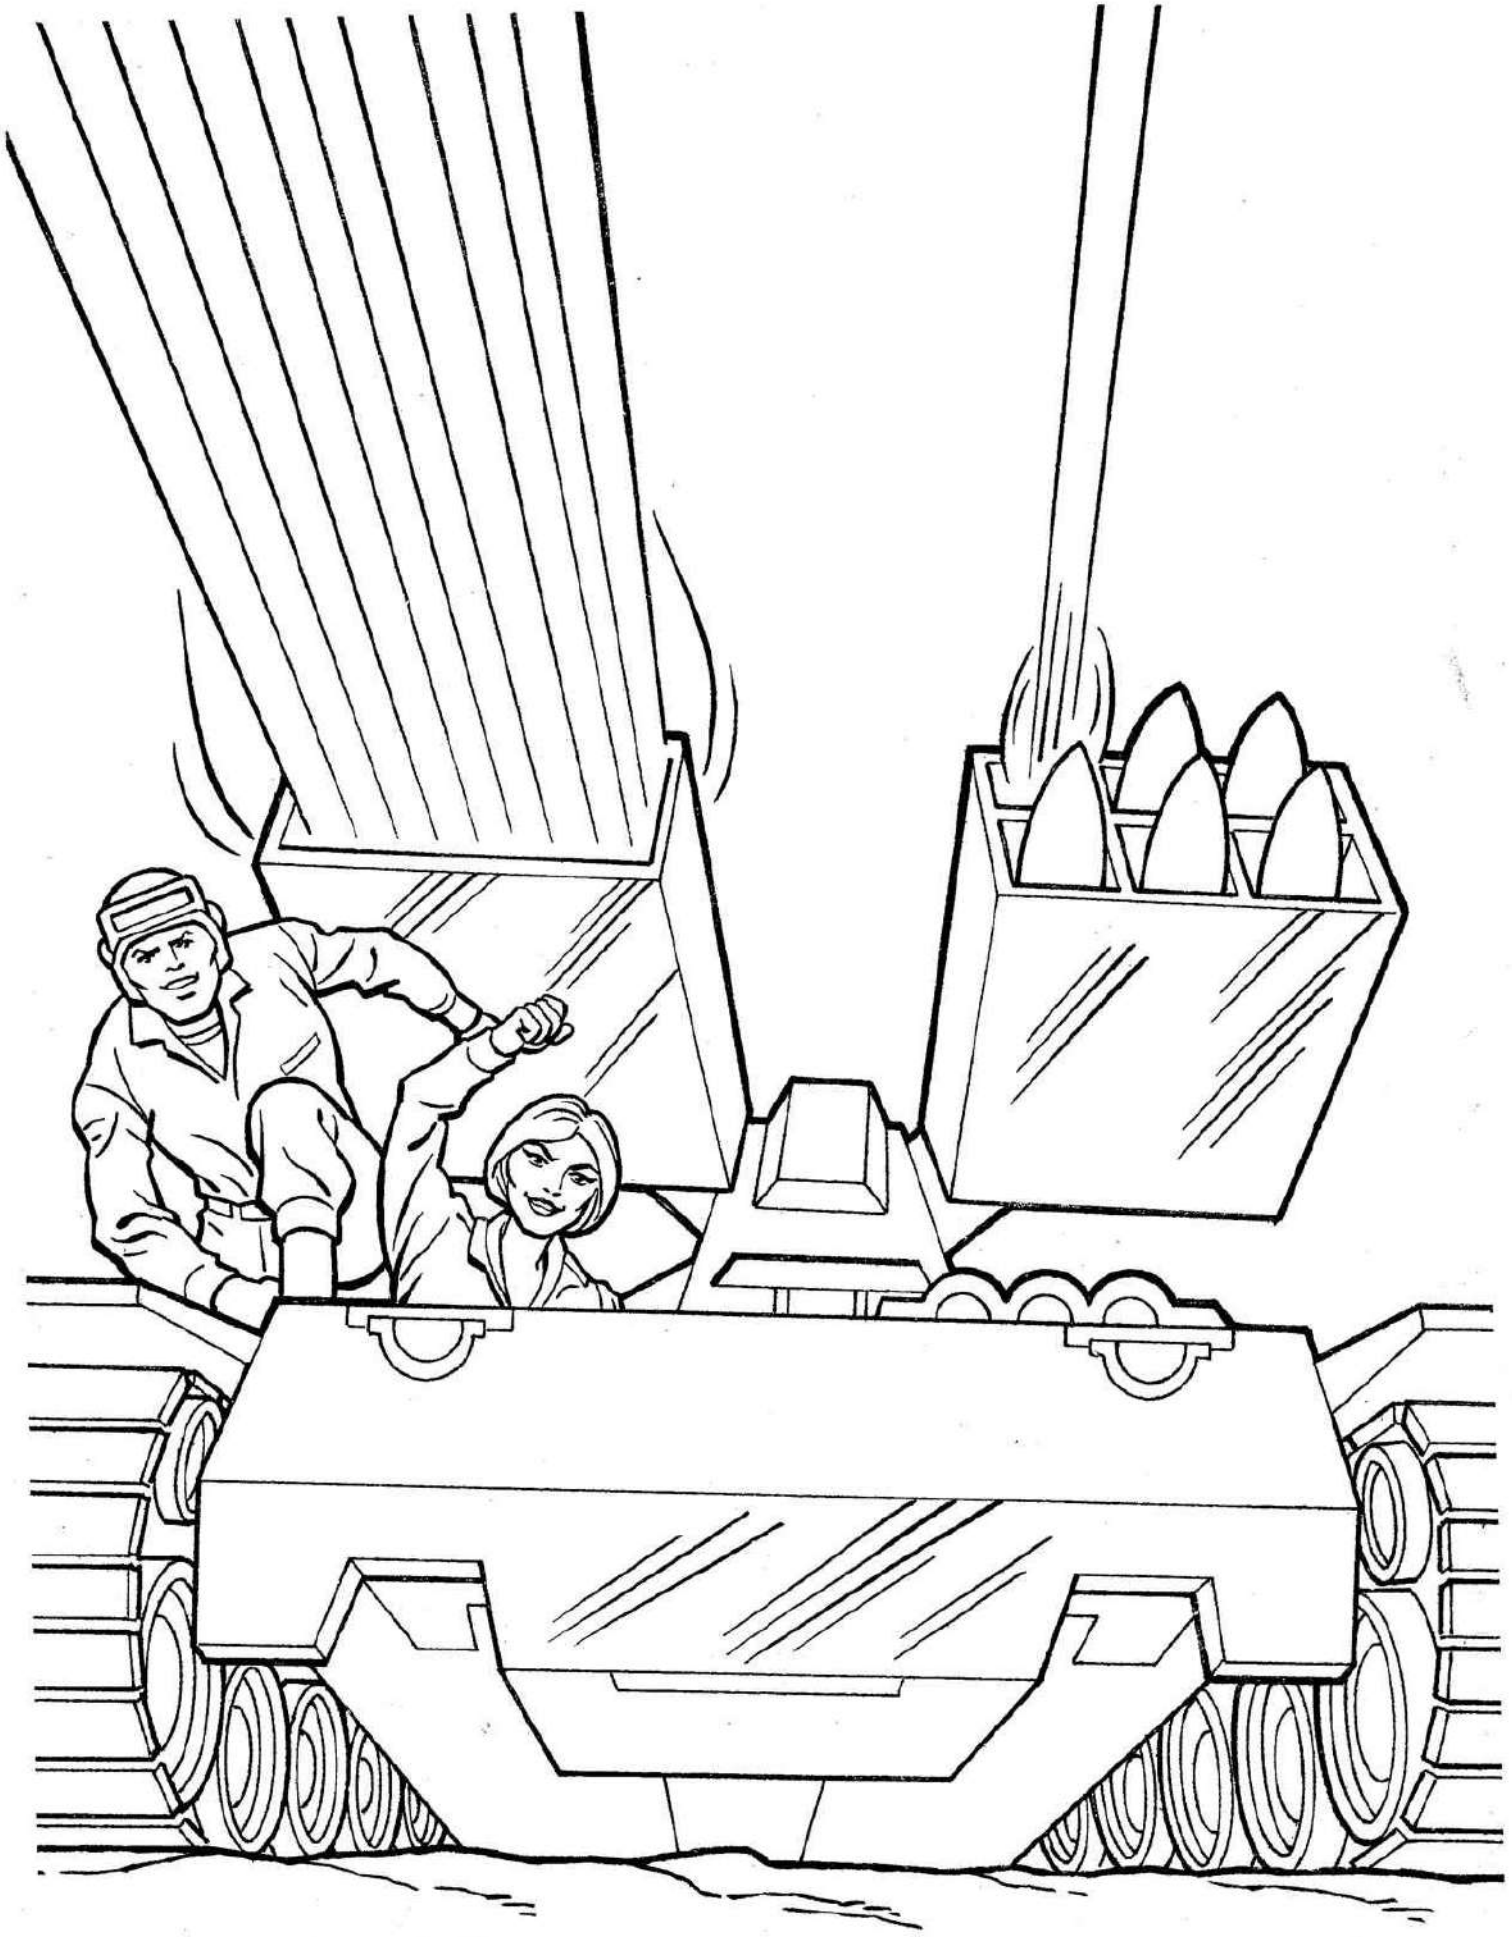
"Snake Eyes!" shouts Storm Shadow. "Fool! You have lost everything by attacking me!"

"First I will defeat you, then I will beat every G.I. Joe, single-handedly!" threatens Storm Shadow.

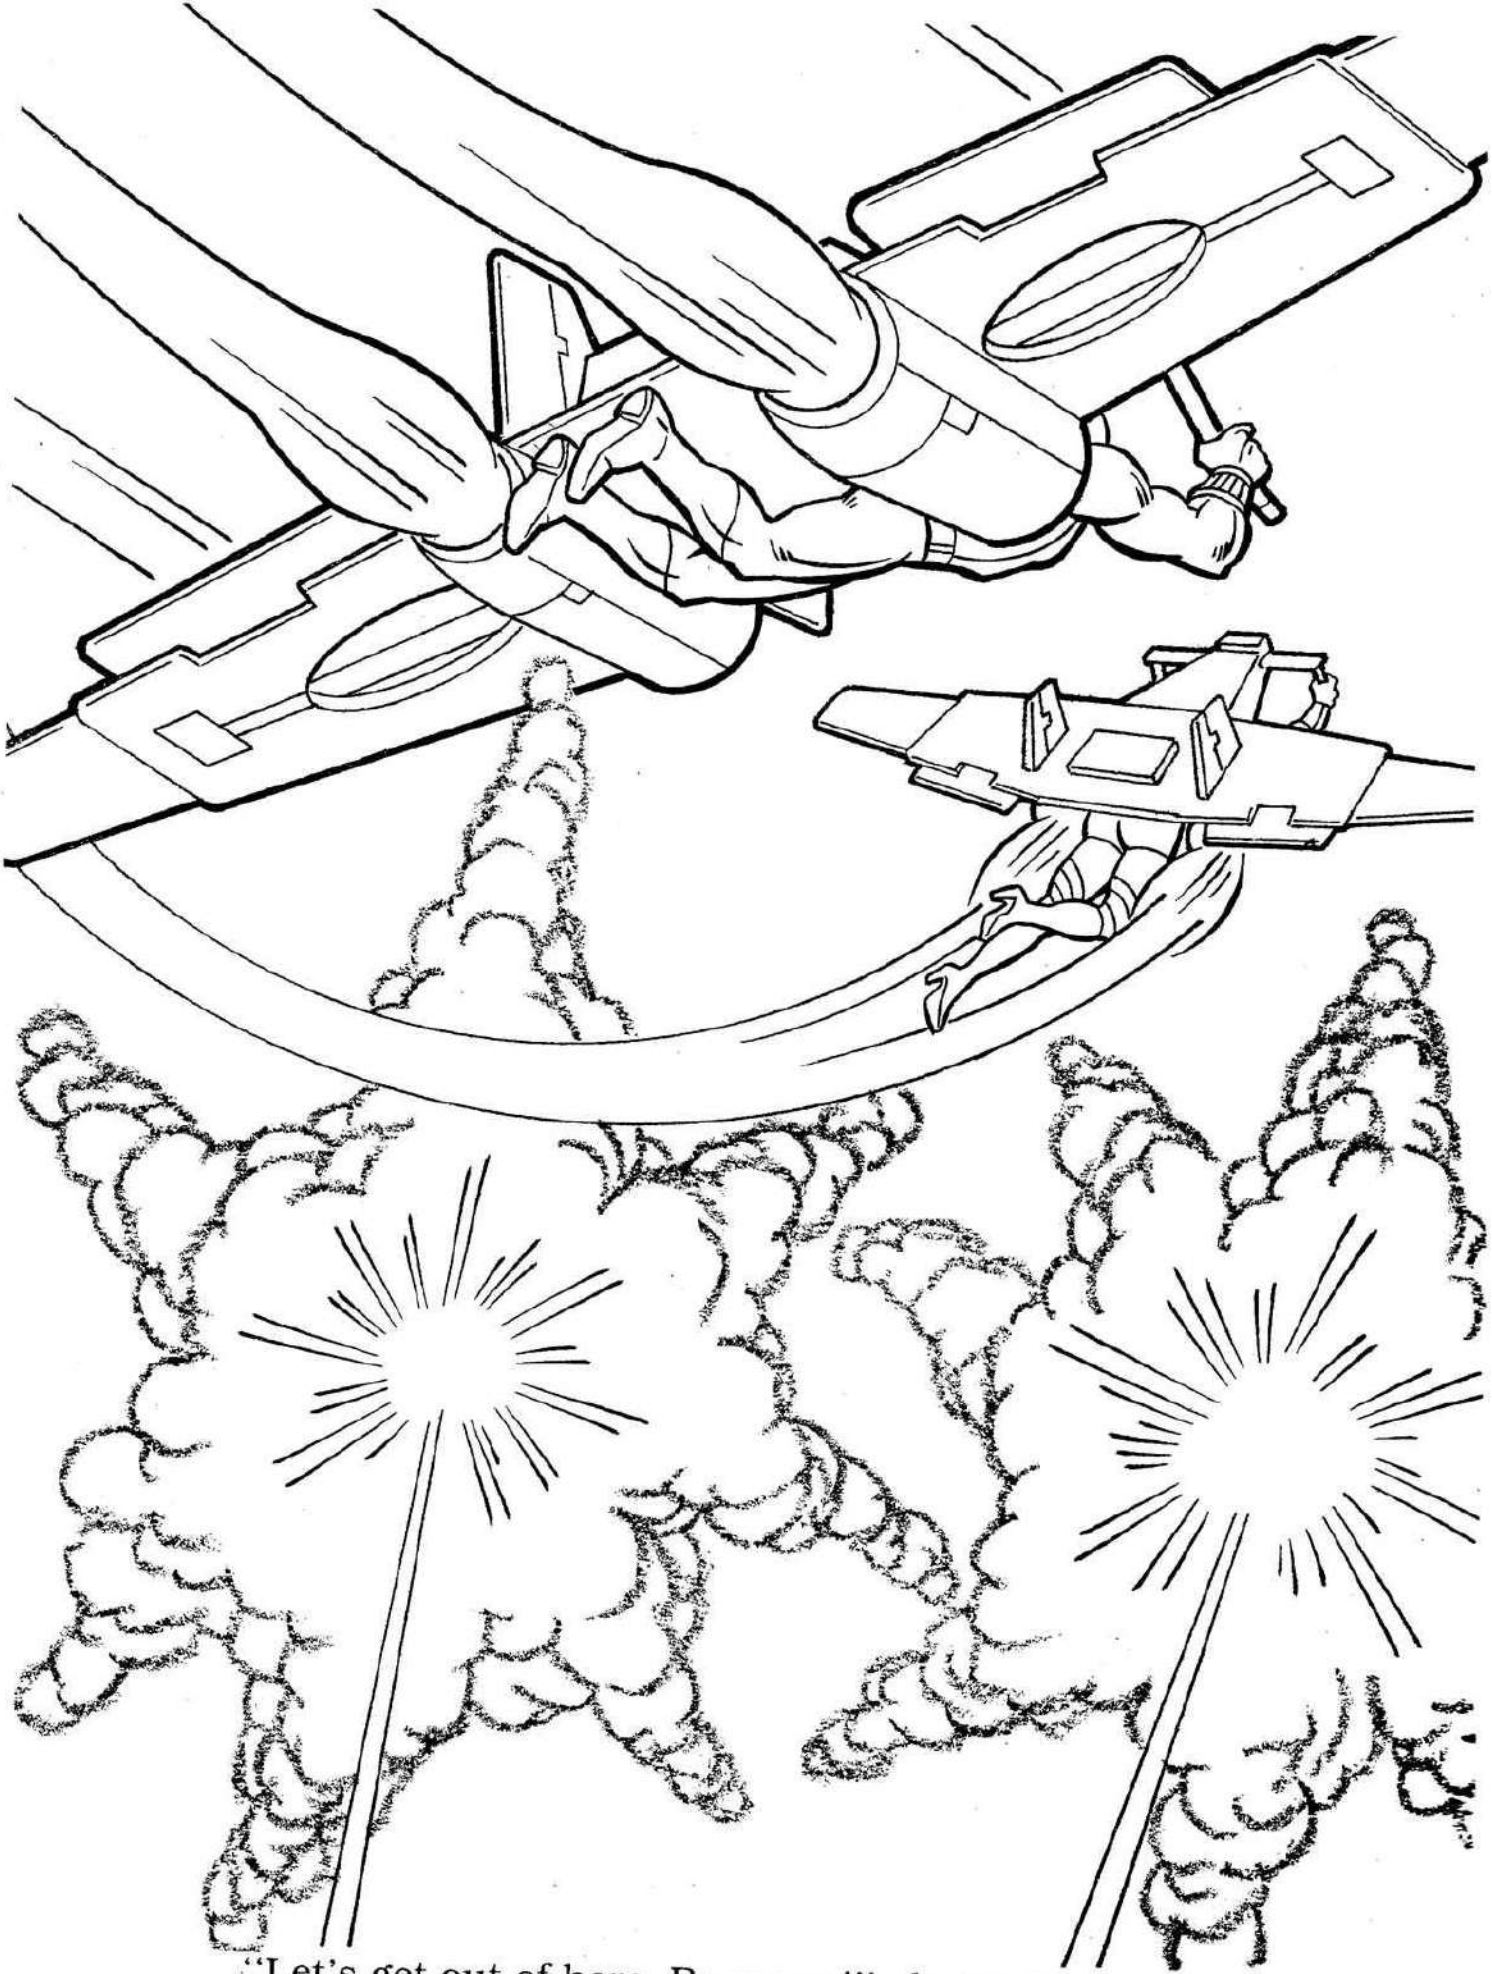
"My friends can't wait to meet you, Snake Eyes!" laughs Storm Shadow.

"With the MOBAT gone, the G.I. Joes can be picked off like pigeons!" says Destro.

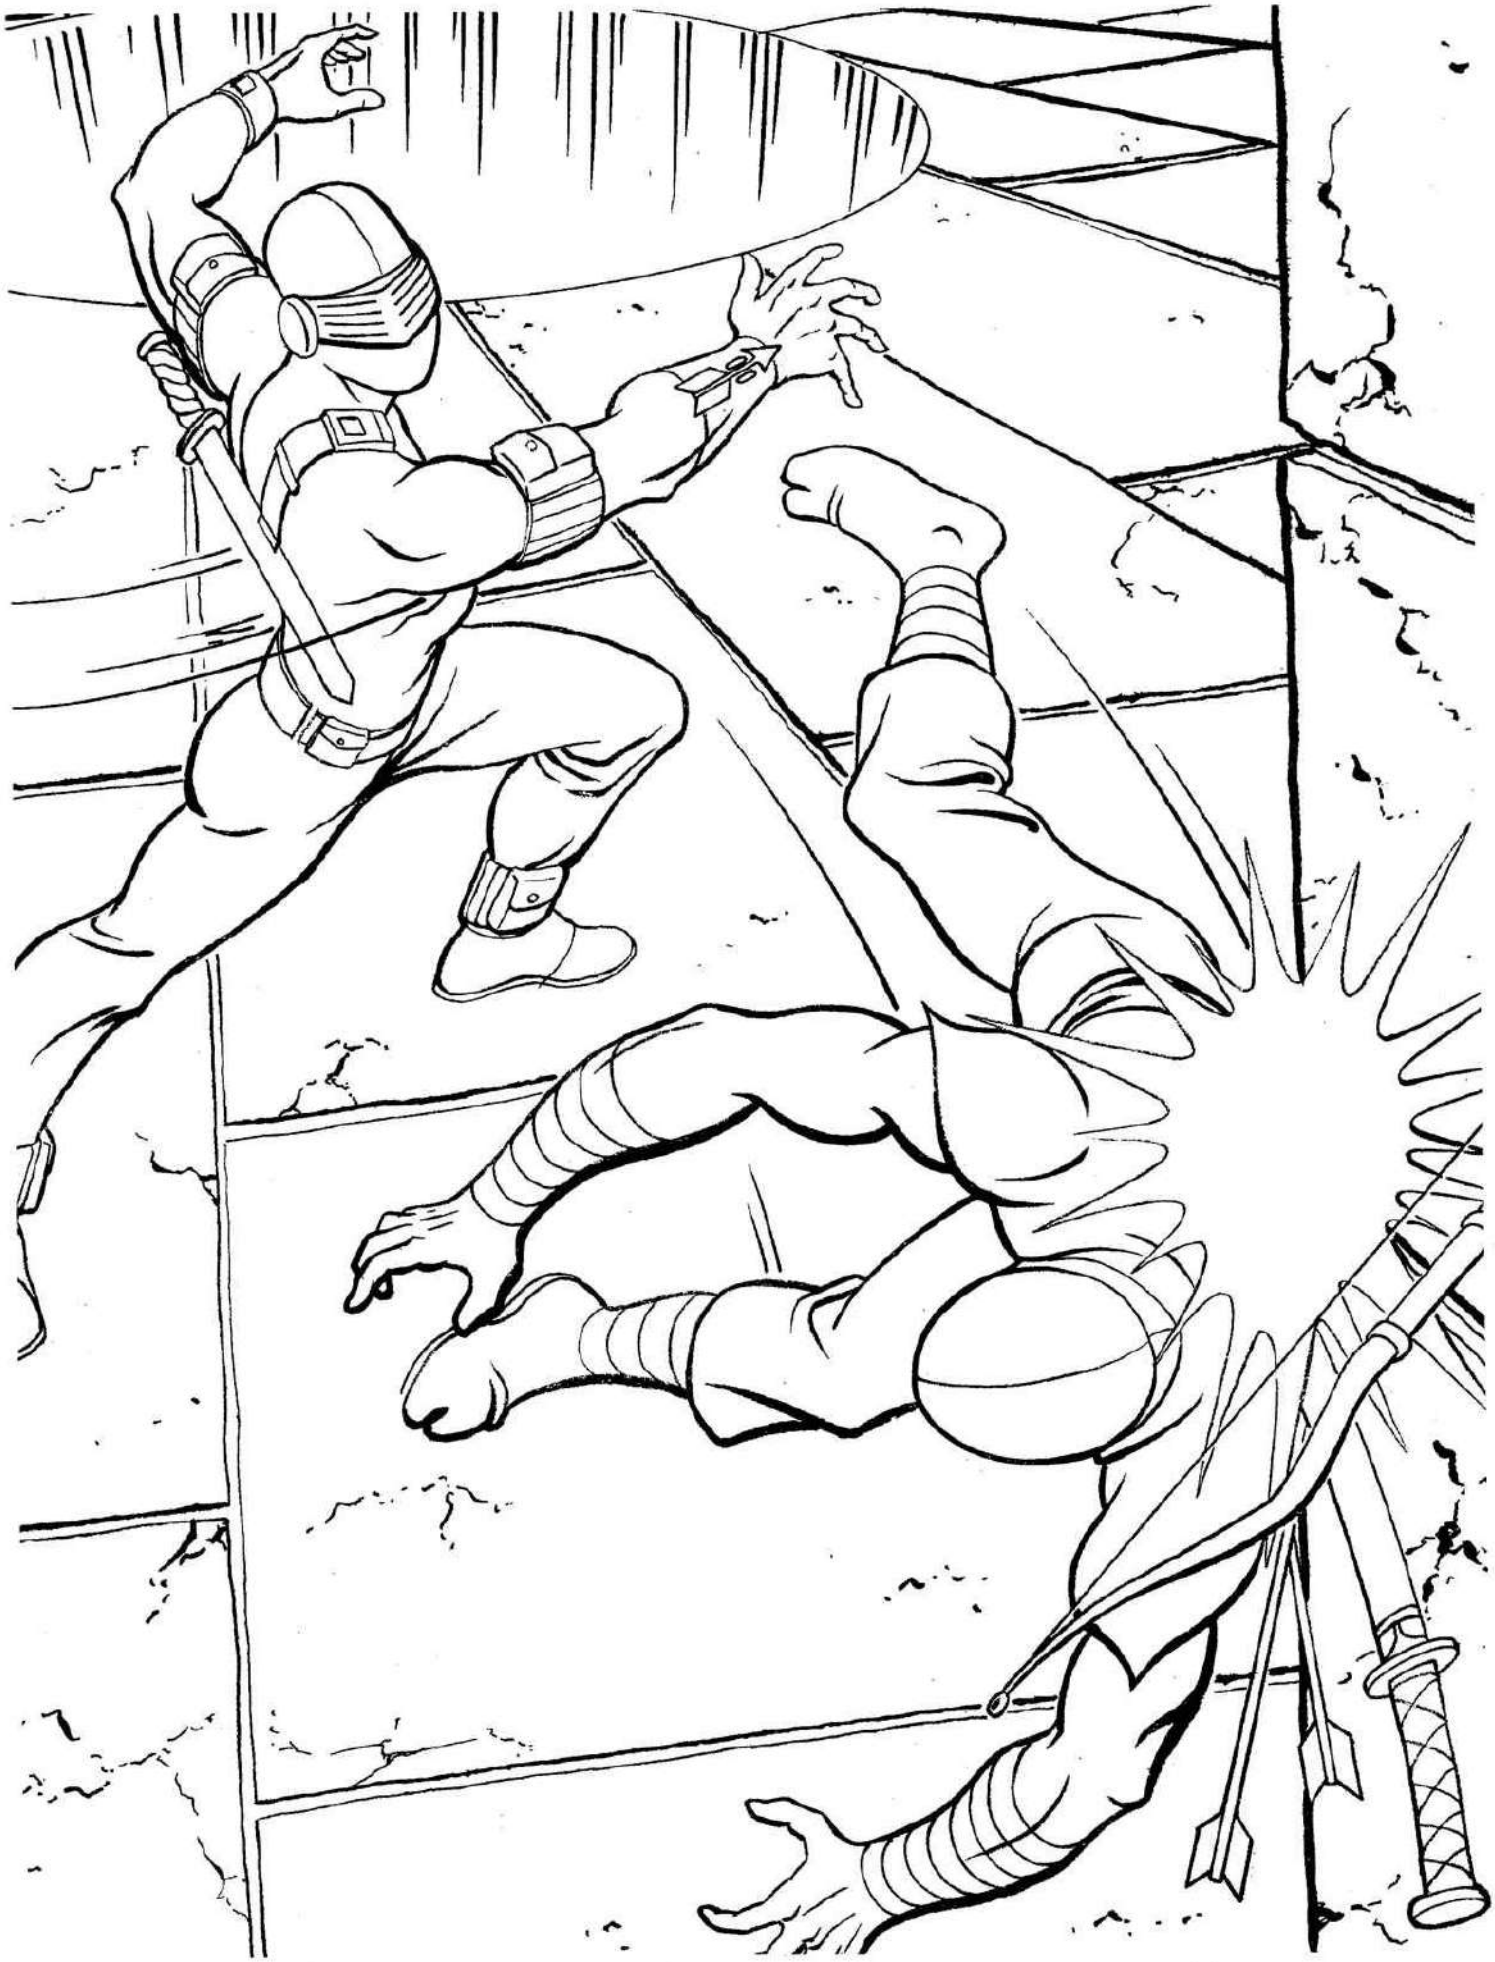
"Are you all right, Steeler?" asks Cover Girl.
"I'm fine," answers Steeler. "How are we going to stop them?"



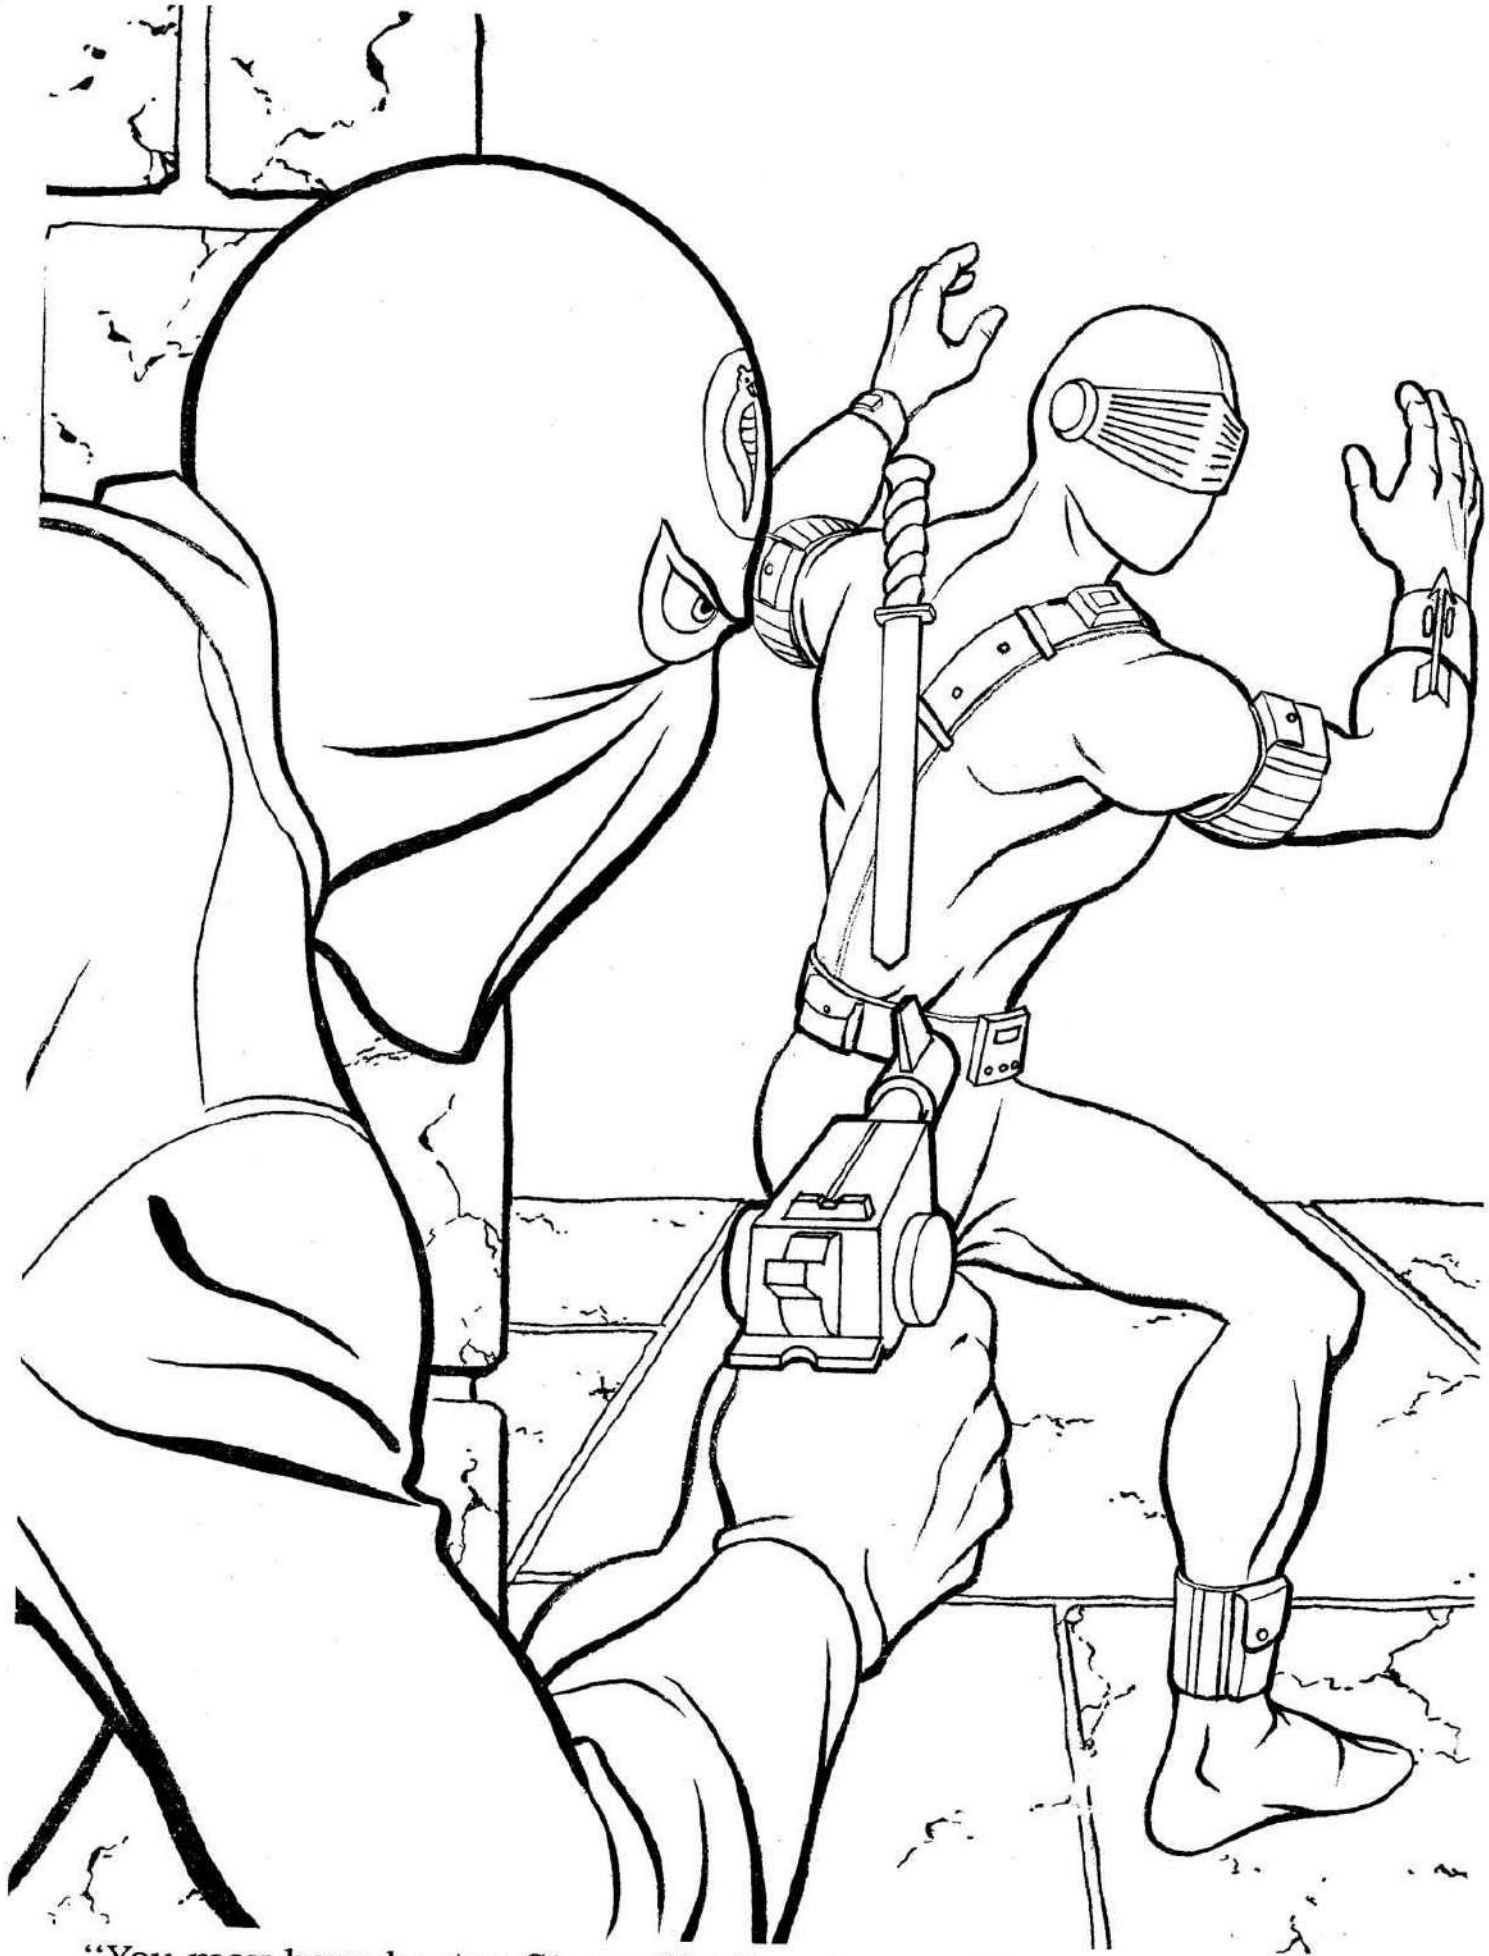
"By making the sky too hot for them, of course!" says Cover Girl. "Watch!"



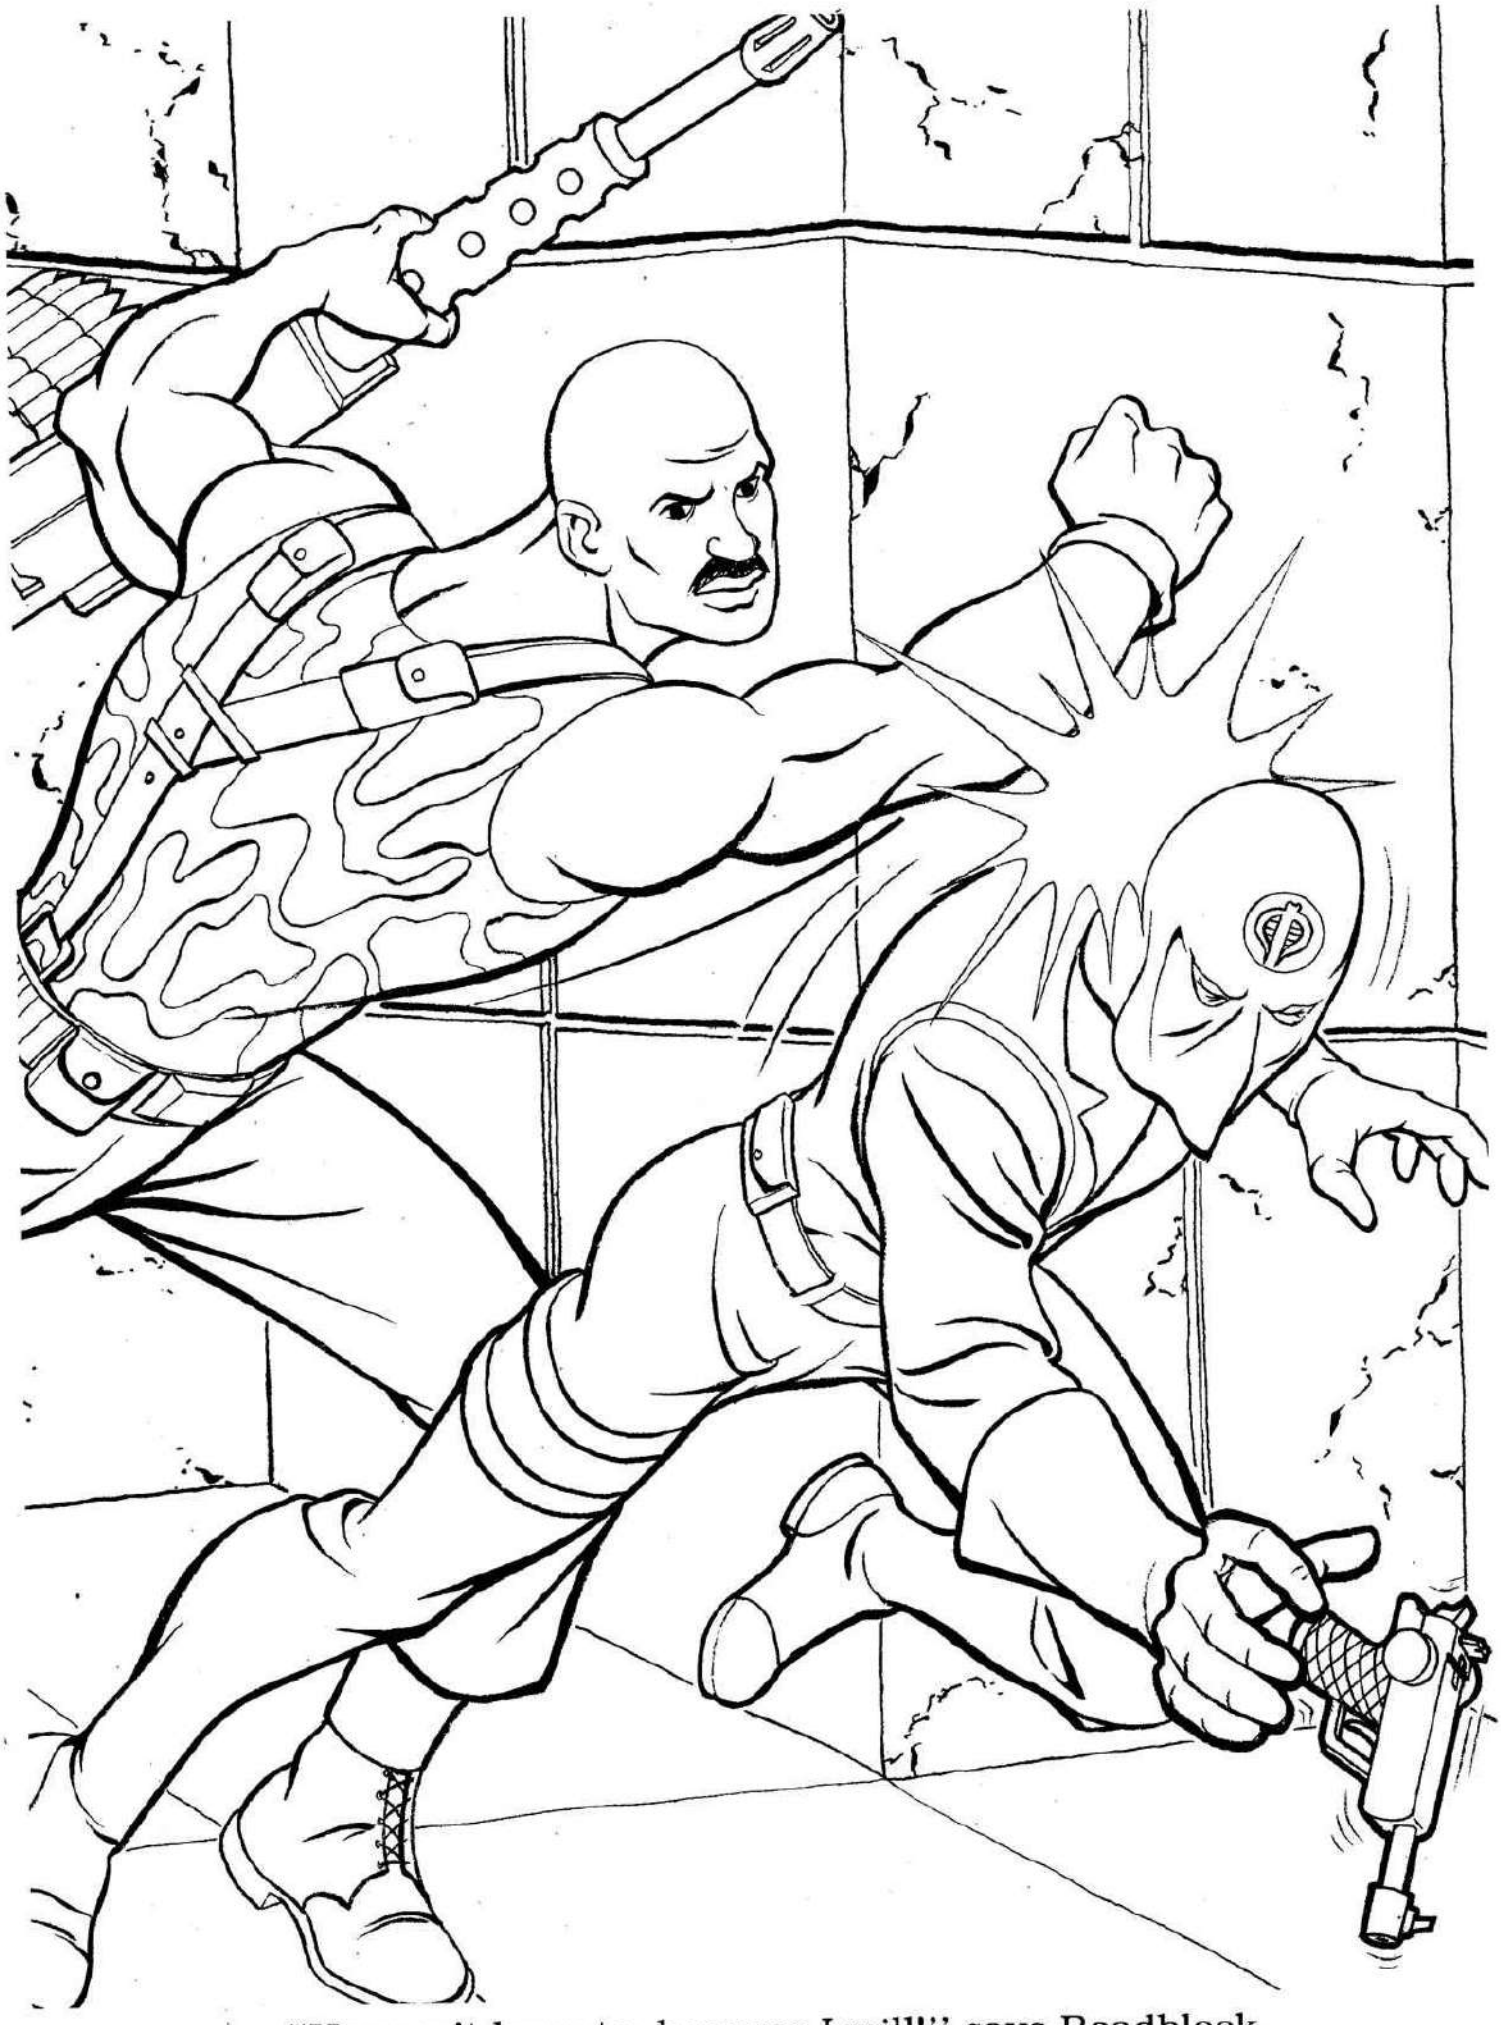
"Let's get out of here, Baroness!" shouts Destro.
"That's fine by me," agrees the Baroness.



Using his knowledge of judo, Snake Eyes turns the tables on Storm Shadow.



"You may have beaten Storm Shadow, but you'll never touch me!" says Cobra Commander.



"He won't have to, because I will!" says Roadblock.

"Bah!" says Cobra Commander. "I escaped from you once before, I'll do so again!"

"That's what you think!" says Roadblock. "This time we have a prison cell for you that no one will break!"

"I will rescue you, Cobra Commander, no matter where you are!" promises Storm Shadow.
